

„Stop Over“

Permitted arrival days: Friday, Saturday, Sunday

I'm packing my suitcase and taking my family, friends and a stopover at the Stadthotel Engel with me!

Vacation is calling, the journey is long, and you want to arrive at your domicile relaxed?

A stopover in Baden's Tuscany is the perfect way to start your vacation. The same applies, of course, if you simply don't want to go home yet!

Our services:

- One overnight stay (rooms with air conditioning can be booked for an extra charge)
- Breakfast buffet or packed lunch included
- In-house W-LAN
- Underground car park free of charge (if still available)
- One bottle of mineral water per person in the room
- Check in from 7 pm
- Check out until 9.30 am

Your stop over could look like this:

- The first stage is complete, and you arrive at our hotel at around 7 pm.
- Your luggage and car are safely parked in our underground car park.
- After checking in, you can start exploring Ettlingen!
- A nice meal in one of our cozy restaurants, which are all within walking distance.
- Maybe a little nightcap in our Engelbar.
- After a good night's sleep and a hearty breakfast at our buffet....
- Finish the last few kilometers to your holiday or home fit and rested.
