# CONFERENCE OVERVIEW

CLEPSO Meeting 2016, March 3<sup>rd</sup> – 4<sup>th</sup> 2016, Düsseldorf, Germany

The Clinical Epigenetics Society (CLEPSO) and the Clinical Epigenetics working group of the German Society for Hematology/Oncology (DGHO) are delighted to announce the Clinical Epigenetics International Meeting 2016, which will take place on March 3<sup>rd</sup> and 4<sup>th</sup> 2016 at the City Hostel (Jugendherberge) Düsseldorf, Germany.

The objective of this scientific meeting is to bring together some of the world leaders in clinical epigenetics to discuss recent advances and to explore new avenues for research.

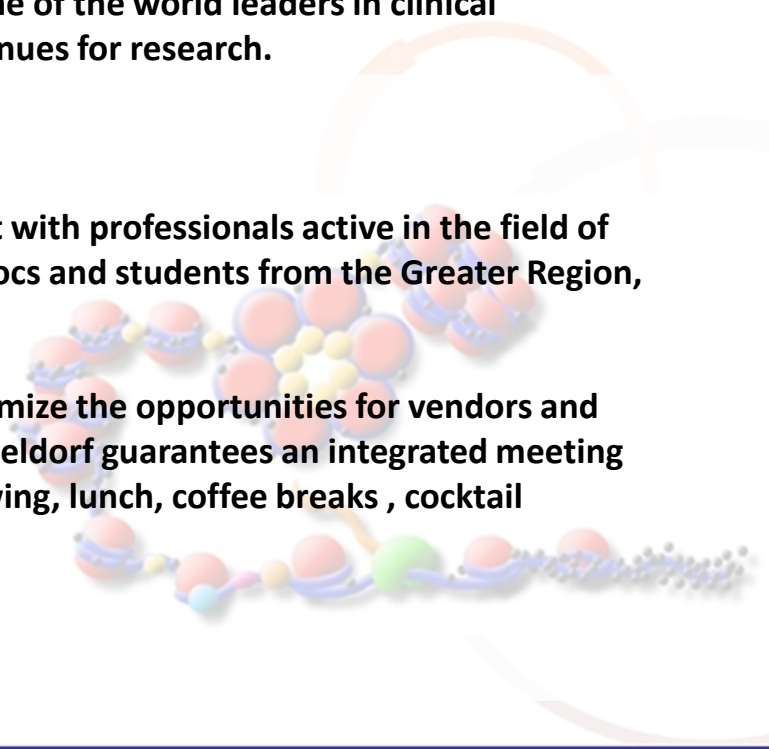

## **A perfect opportunity for vendors...**

This conference is a perfect opportunity for vendors to interact with professionals active in the field of clinical epigenetics. About 200 scientists and clinicians, post-docs and students from the Greater Region, Europe and worldwide are expected to attend the conference.

The venue and conference schedule have been chosen to maximize the opportunities for vendors and participants to interact. The City Hostel (Jugendherberge) Düsseldorf guarantees an integrated meeting site where the exhibition, scientific presentations, poster viewing, lunch, coffee breaks, cocktail reception and gala dinner will take place.

The conference website is now open:

# CONFERENCE VENUE

CLEPSO Meeting 2016, March 3<sup>rd</sup> – 4<sup>th</sup> 2016, Düsseldorf, Germany

The conference will take place at the City-Hostel Düsseldorf, an outstanding location in the middle of Düsseldorf. The Düsseldorf City-hostel is located directly on the banks of the Rhine offering a beautiful view of the Old Town and the Media Port opposite. All the city's tourist attractions are in walking distance. Public transport connections to the exhibition centre and the airport are also excellent with a change of transport at Düsseldorf Main Station.

The venue and conference schedule have been chosen to maximize the opportunities for vendors and participants to interact. The City-Hostel guarantees an integrated meeting site where the exhibition, scientific presentations, poster viewing, lunch, coffee breaks, cocktail reception and gala dinner will take place.
