Welcome

We warmly welcome you to the Hotel-Restaurant Zur Linde!

Our house has been family-owned for over 100 years. This long tradition obliges - to quality, reliability and genuine hospitality. As a family, we run the business ourselves and make sure every day that you feel comfortable with us.

Our cuisine stands for Swabian down-to-earthness: prepared by hand, clear in taste and without unnecessary frills. We combine proven recipes with contemporary ideas without losing sight of the character of our region. We prefer to work with regional suppliers because freshness, quality, short distances and transparent origin are crucial for us. Good service is not an empty phrase here. We do our best every day to ensure that you will want to come back.

If you have allergies or intolerances, please let us know. We will be happy to advise you. We have an overview of the allergens available for you.

We offer the right setting for family celebrations, birthdays or company parties: Our restaurant has 60 seats, and there is also an adjoining room with 45 seats available.

We wish you a pleasant stay and enjoy your meal.

The Birk family and team
