

Treatment Agreement

between vet. Susann Gaudlitz and the undersigned (see below)

I confirm that I am the owner of the animal and therefore entitled to enter into a contract for the performance of necessary treatments and operations. Furthermore, I confirm that I am willing and able to bear the costs incurred as a result.

In this context, I declare that at the time of signing this declaration, **I am not involved in any court debt proceedings and that the register of debtors at the local court responsible for me shows no entries concerning my person.**

If I am not the owner of the animal, I expressly declare that I am acting on behalf and with the authorization of the animal's owner. If such authorization is lacking or denied by the animal's owner, I confirm that I will personally bear the costs arising from the treatment.

If required for diagnostic purposes, I authorize the owner and the staff of the practice to commission third parties (laboratories, specialist institutions, etc.) in my name and at my expense.

**I will pay the costs incurred immediately in cash or by EC card.
(Credit cards are not accepted.)**

I am aware that the practice has a right of retention over the treated animal if I am not willing or able to pay the costs incurred for the treatment in cash or by EC card.

I am aware that the practice operates on an **appointment-based system**. If I am unable to keep an appointment, I will inform the practice **at least 24 hours in advance**—either by email or by phone.

If I fail to cancel the agreed appointment in time, I may be charged a **missed appointment fee of 40 Euro gross**.

The same applies **to scheduled surgical appointments**—if not canceled at least 24 hours in advance, I will be charged a **compensation fee for the reserved time**, calculated based on the veterinarian's hourly rate (see the Schedule of Fees for Veterinarians, GOT).
