

NORTH GERDA'S JOURNEY

A Cinematic Fairytale Action-Adventure Game
for PCs and Consoles

- 
- A magical fairytale action adventure where kids play the movie, take on the story, and live the journey
 - From H. C. Andersen's fairy tale, "The Snow Queen" to the big screen and now into your own hands
 - Explore. Collect. Imagine. *North: Gerda's journey* brings the magic of the "Snow Queen" to life for a new generation
 - "Outfits, magic, and motion — a cinematic adventure like no other."

North: Gerda's Journey is also inspired by the collectible outfit drive and friendly atmosphere of *Infinity Nikki*, but is rooted in a cinematic “Snow Queen” story with unique gameplay twists like Gerda’s Guardian Angel and the mobile motion system.

Comes with a unique motion tracker system

Comes with a unique motion tracker system

- A unique mobile motion mini-game system lets players row, fly, and play physically in Gerda's world, making *North: Gerda's Journey* a one-of-a-kind family adventure.

Key Features

- Faithful adaptation of a “Snow Queen” movie with cinematic cutscenes
- Guardian Angel companion for defense, exploration, and puzzle-solving
- Dress-up & outfit collection system unlocking new abilities
- Non-lethal, exciting combats (snowballs, slingshot, Guardian Angel’s magic)
