## **DECLARATION OF CONFORMITY REACH**

### **Regulations**

- REACH, SVHC (21-Jan-2025), Entry 68
- EU 2021/1297
- EU 2020/784, amendment to 20219/1021
- Absence of various substances (e.g. PFOA, PFOS, POP, PFCA's, MOSH-MOAH)

### **Introduction**

The products supplied by LABOMATIC Systems AG do not contain substance which intended to be released under normal or reasonably foreseeable conditions of use. The products are articles defined under REACH Regulation.

The Declaration applies only to the products mentioned in the list of products attached to the Declaration.

### **Regulations (EC) No 1907/2006 (REACH)**

All substances contained in the products or the monomers these products are based on are:

- Either exempted from the regulation, and / or
- Exempt from registration, and / or
- They have been registered.

Based on the information of our suppliers the formulation of the mentioned products complies to the restrictions on substances listed in Annex XVII of Regulation (EC) 1907/2006.

## **SVHC - Candidate List pursuant to Article 59 (10) of the REACH Regulation (EC) No 1907/2006**

Substances of Very High Concern (SVHC) listed on the Candidate List respectively in Annex XIV of the regulation are due to the formulation not used during the manufacturing process, so that the limit values (each 0.1% w/w) cannot be exceeded (Current Candidate List published by the ECHA on 21-Jan-2025 [Candidate List substances of very high concern for Authorisation - ECHA \(Europa.eu\)](#))

## **Annex XVII to REACH - EC 2021/1297, amendment to Annex XVII of EC 1907/2006, Conditions of restriction Entry 68**

Following substances are not intentionally added. In fact, these elements are not intentionally used neither in the raw materials nor during the production process. Moreover, we would like to inform you that, since the presence of such substances are not expected, no specific analysis is performed in order to find them:

- C9-C14 PFCA's

## **PFAS - Per- and polyfluoroalkyl substances, i.a.w EC 2020/784, amending Annex I to EU 2019/1021**

Perfluoroalkyls of Polyfluoroalkyls of Concern (PFAC) are absence. We would like to inform you that, since the presence of such substances are not expected, no specific analysis is performed in order to find them.

Note: Two products are polymerized perfluorinated substances (PPFAS) and not PFAS.

## **Absence of various substances**

Following substances are not intentionally added. In fact, these elements are not intentionally used neither in the raw materials nor during the production process. Moreover, we would like to inform you that, since the presence of such substances are not expected, no specific analysis is performed in order to find them:

- Phthalates
- Substances of vegetal origin
- Bisphenol A
- PFOA/PFOS

- POP (2019/1021/EU)
- Long-chain PFCA'S (perfluorocarboxylic acids, their salts and related compounds) listed under the Stockholm Convention [List of substances proposed as POPs - ECHA \(Europa.eu\)](#)
- MOSH/MOAH (Mineral Oil Saturated Hydrocarbons/Mineral Oil Aromatic Hydrocarbons)
- Ozone depleting substances (1005/2009/Eu)
- Chlorine/bromine
- FCM and Articles Regulation, Annex II - Restricted Substances last update 31 January 2023 ([plastic-subs-restricted-ann-2 - ECHA \(europa.eu\)](#))
- Substances, for which genotoxicity has been ruled out
- NIAS

### Supplementary Information

This product information is based on the present state of our knowledge, information and experience. Due to possible changes in our products and applicable national and international regulations and laws, the status of our products could change. The reproduction, entirely or partially, of this declaration or any deductive reasoning derived from it is not under LABOMATIC Systems AG responsibility. The validity of these statement is twelve months.

### DECLARATION OF CONFORMITY RoHS

#### ROHS - Exemptions from Article 4(1) Restrictions, Annexes III & IV

#### Regulations

- EU. Exemptions from Art. 4(1) Restrictions (Annexes III & IV),
- Directive 2011/65/EU (RoHS),
- as amended by Commission Delegated Directive (EU) 2024/1416

#### Introduction

The products supplied by LABOMATIC Systems AG do not contain substance which intended to be released under normal or reasonably foreseeable conditions of use. The products are articles defined under ROHS Regulation.

The Declaration applies only to the products mentioned in the list of products attached to the Declaration.

Based on the information of our suppliers the formulation of the mentioned products complies to the restrictions on substances listed in

The products do not contain any of the below substances above the maximum concentration values identified in Annex II of the RoHS Directive (2011/65/EU) and it's amendment 2015/863.

Quantity limit: 0.1 % of weight (1000ppm) of any homogeneous material: 1. Lead (Pb)

2. Mercury (Hg)

3. Hexavalent Chromium (Cr VI)

4. Polybrominated Biphenyls (PBB)

5. Polybrominated Diphenyl Ethers (PBDE)

6. Bis(2-Ethylhexyl) phthalate (DEHP): max 0.1% 7. Benzyl butyl phthalate (BBP): max 0.1%

8. Dibutyl phthalate (DBP): max 0.1%

9. Diisobutyl phthalate (DIBP): max 0.1%

Quantity limit: 0.01 % of weight (100 ppm) of any homogeneous material: 1.

Cadmium (Cd)

(EU)

and current admissible exceptions under Annex III and IV to the Directive RoHS 2.
