

STATION

1

THE BAT FOREST

Psst! Bats, spiders and ghosts are hanging in the dark forest. Look closely, pick your symbol and start counting.

ORANGE
Ages 4–6

Count the **spiders** and the **ghosts** together. How many are there?

PURPLE
Ages 7–9

Each ghost has **2 eyes**. How many eyes do all the ghosts have together?

GREEN
Ages 10–12

Bats times spiders, then subtract **three times the ghosts**. What do you get?

1

Write on your sticky note: "1" and your number next to it.

STATION

2

THE WITCH'S CAULDRON

The witch is brewing a magic potion. The ingredients for the recipe are lying on the ground and on the shelf next to her.

ORANGE
Ages 4–6

Count **all the ingredients** on the ground and on the shelf. How many are there?

PURPLE
Ages 7–9

The recipe needs **12 ingredients**. **5** are already in the cauldron. How many are missing?

GREEN
Ages 10–12

The magic potion needs **25 ingredients**. The witch has already thrown in **3 handfuls of 6 ingredients each**. How many are missing?

2

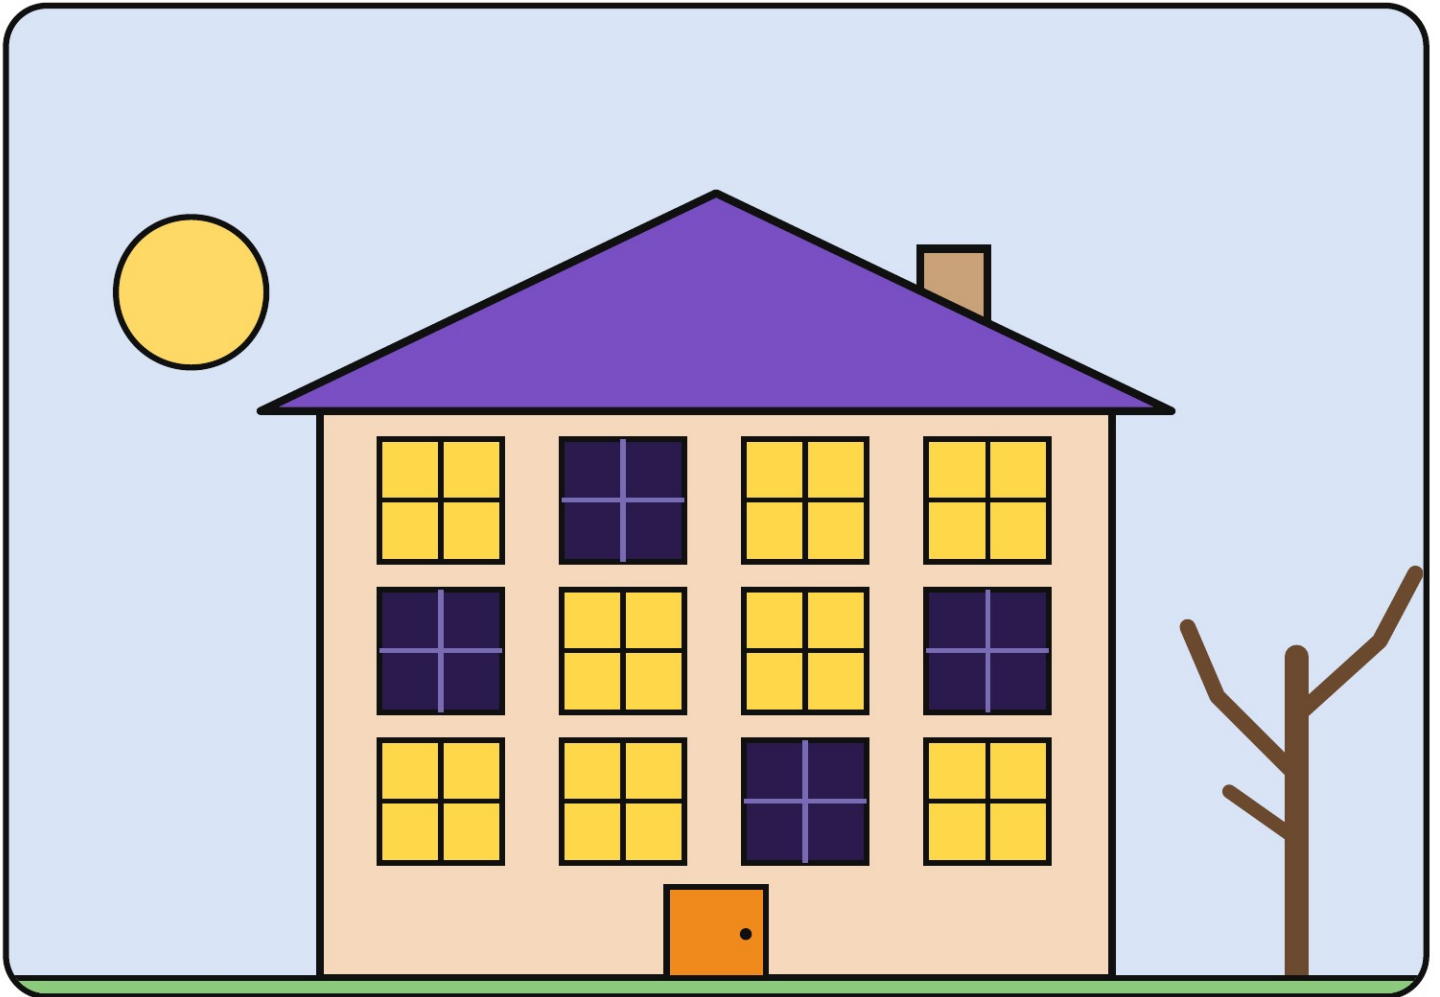

Write on your sticky note: "2" and your number next to it.

STATION

3

THE HAUNTED HOUSE

The old house is haunted. Some windows glow yellow, others are dark. Look closely!

ORANGE

Ages 4–6

Count the **dark** windows. How many are there?

PURPLE

Ages 7–9

The house has **12 windows**. **8** of them are glowing. How many are dark?

GREEN

Ages 10–12

Count the **glowing** windows, **multiply by 2** and then **subtract 12**. What do you get?

3

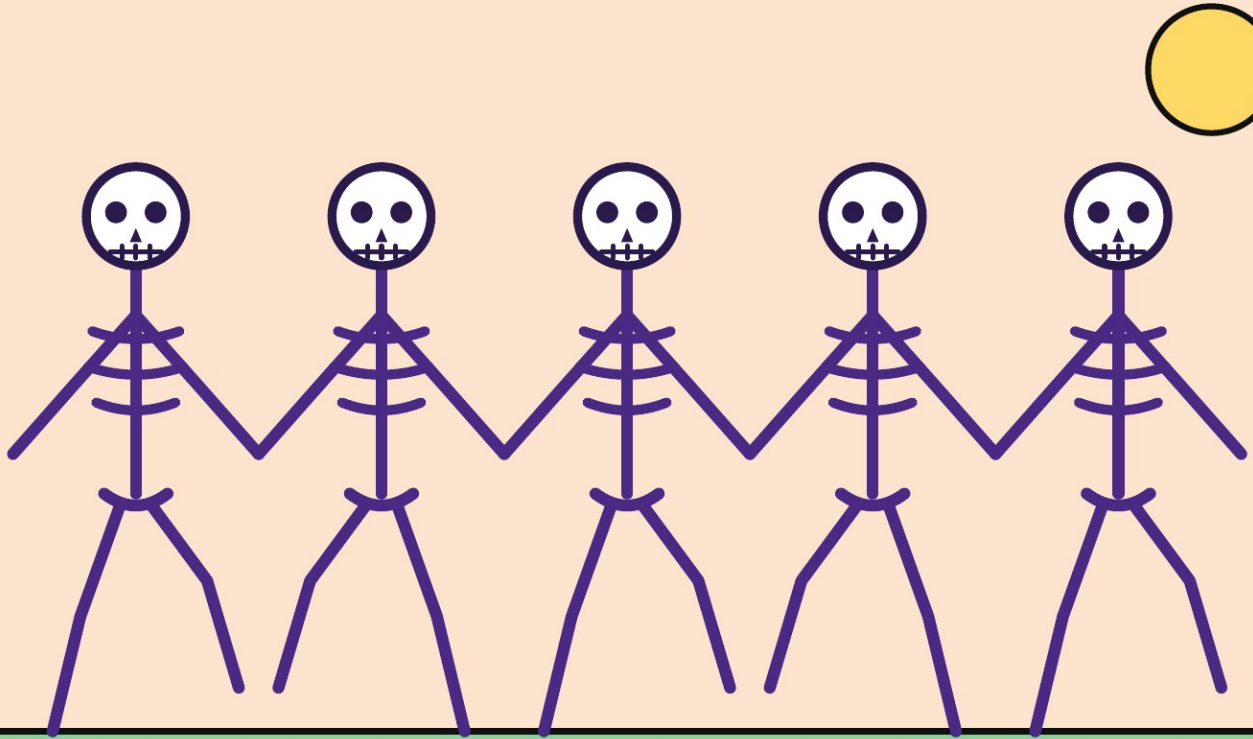

Write on your sticky note: "3" and your number next to it.

STATION

4

THE SKELETON DANCE

At midnight, skeletons dance hand in hand in the moonlight.

ORANGE

Ages 4–6

Count the **dancing skeletons**. How many are there?

PURPLE

Ages 7–9

All the dancing skeletons together have **10 arms**. How many skeletons are dancing?

GREEN

Ages 10–12

Each skeleton has **1 skull, 2 arms and 2 legs**. All the dancing skeletons together have **25** of these body parts. How many are dancing?

4

Write on your sticky note: "4" and your number next to it.
