REFLECT MIRROR BASE ROND

Articlenr	Description	Width	Profile
SPI999164	Reflect mirror base round 40 LED 3 positions dimmable	round	40
SPI992611	Reflect mirror base round 60 LED 3 positions dimmable	round	60
SPI992843	Reflect mirror base roundd 80 LED 3 positions dimmable	round	80
SPI992715	Reflect mirror base round 100 LED 3 positions dimmable	round	100
SPI992289	Reflect mirror base round 120 LED 3 positions dimmable	round	120

The Reflect base round is equipped with LED placed on a round aluminum profile on the rear of the mirror. As a result, the light distribution is evenly distributed across the wall. The mirror is equipped with a three-position dimmer as standard. The different sizes makes combining in the same series possible.

IP 44
 4200 Kelvin
 Lumen per size variable because number of diodes:
 120=1197
 100=987
 80=693
 60=546
 40=441
