

To the Great Greenbrier River Race Family,

There is no higher priority than the health and safety of our racers, volunteers, spectators and families. As our communities continue to feel the increased impact of the ongoing coronavirus COVID-19 pandemic, the race committee has carefully considered the impact of this situation on the GRR. After reviewing and carefully considering the recommendations of state and national health officials, and following the latest guidance from the World Health Organization (WHO) and the Centers for Disease Control (CDC), we have made the difficult decision to cancel the 2020 GRR.

We appreciate your understanding of this situation during this unprecedented time across the state, nation, and world. Thank you for your unwavering support of the Great Greenbrier River Race over the past 34 years.

All registered participants will have their funds credited to the 2021 race. If you have any questions or concerns regarding this, please email [ggrracefun@gmail.com](mailto:ggrracefun@gmail.com).

We wish each of you and your families well during this challenging time and look forward to seeing you next year for the GRR.

With appreciation,

Great Greenbrier River Race Committee

Brenda Cochran, Race Director
