## News on Upcoming Events

### Tribal Members

The following is an update on important announcements for our Tribal citizens.

- ◆ Haliwa-Saponi Tribe's 55th Annual Pow-Wow has been postponed until April 2021.
- ◆ 2020 Annual Halloween Carnival has been cancelled.
- ◆ 2020 Cultural Exchange Day has been cancelled.
- ◆ Christmas Tree Lighting will take place Friday, December 4, 2020 at the Chief W.R. Richardson Tribal Government Complex.
- ◆ 2021 Winter Pow-Wow has been cancelled

We appreciate your patience as we work through this pandemic together.

Chairman Gideon Lee

**Flu Vaccine**

Gatherings can contribute to the spread of other infectious diseases. Getting a flu vaccine is an essential part of protecting your health and your family's health this season. September and October are good times to get vaccinated. However, flu vaccines are still useful any time during the flu season and can often be accessed into January or later

# HAPPY BIRTHDAY TO YOU

If you would like your name or a loved ones name to be published please email Carol Richardson at [errichardson@haliwa-saponi.com](mailto:errichardson@haliwa-saponi.com), mail or bring by the office. November 30-Laura Le Richardson

## **HAPPY ANNIVERSARY:**

Happy 37th Anniversary to Pete and Chanta Richardson!

Happy Anniversary to Shawn and Charlotte Richardson!

Happy Anniversary to Johnnie and Montenia Lynch!

# Breast Cancer Stats and Facts

When it comes to breast cancer, what you don't know can hurt you. These figures reveal the scary truth.

This year, **232,670** new cases of breast cancer will be diagnosed in women.

**1 in 8** women who live to be age 70 will develop breast cancer in her lifetime.

Breast cancer accounts for about **30%** of cancers in women.

It's the most common cancer diagnosis for women in Utah.

About 85% of diagnoses occur in women with no family history of breast cancer.

**But there's good news.**

Breast cancer's mortality rate has been declining since 1989, due to early detection and improved treatment.

Physically active women are **25%** less likely to develop breast cancer than those who are inactive.

More than **2.8 million** people living in the U.S. are breast cancer survivors.

**ACT NOW**  
Breast cancer education and screenings can save up to 37 lives every day in the U.S., according to the World Health Organization. Share this infographic and discuss a screening plan with your doctor.

## COVID-19: What You Need to Know

COVID-19 causes mild to severe breathing problems. It can cause serious problems, especially in older people and people with other health problems, including cancer.

### How does it spread?

- Through droplets when a person with it coughs or sneezes close to another person

### What are the signs of COVID-19?

- Fever
- Cough
- Shortness of breath

### How can I protect myself?

- Wash your hands often, for at least 20 seconds with soap and water, or use an alcohol-based hand sanitizer.

- Do not touch your eyes, nose, or mouth with unwashed hands.

- Stay at home when you are sick.

- Wear a mask in public settings.
