<sup>\*\*</sup>Note: Every night everyone will go to their own home to sleep & eat breakfast!!

#### MISSION TC RULES AND GUIDELINES

#### PARTICIPANT RESPONSIBILITIES FOR MISSION TC:

While participating in a Mission TC project I will seek to demonstrate my love for Christ and for others by agreeing to ...

# Keep myself healthy.

I agree not to use tobacco products, alcoholic beverages, or illegal drugs. I will notify Pastor John of any prescription drugs I will be using during the project.

# · Maintain a safe working environment for myself and my crew members.

I agree not to have possession of or use any fireworks, firearms, knives, or weapons of any other kind.

#### · Work to the best of my ability.

I am excited about demonstrating my love for Christ by working on a home for a needy resident. To the best of my ability I pledge to work in a manner that would be pleasing to Christ.

#### • Follow the Mission TC schedule.

I understand that any schedule changes must be made by or approved by Pastor John.

#### Follow the Mission TC dress code.

I agree to bring clothes that comply with the dress code, and not to bring clothes that do not comply with the code. I will dress, at all times, in a manner worthy of an ambassador of Christ.

# · Stay in designated Mission TC areas.

I agree to stay with the group at all times. I understand that I cannot leave the work site or church without the permission of Pastor John.

### Respect the privacy of others.

I understand that others' possessions must not be tampered with or taken. I expect others to grant the same measure of respect to my privacy and possessions.

#### · Maintain a clean environment.

I will do my best to keep all areas of the church clean and free from litter. I will respect the property and grounds while serving during the project. I understand that any property I damage will be my personal responsibility.

• Demonstrate a Christlike spirit. My attitude will be like that of Jesus (Philippians 2:5). I will love those with whom I work and those around me throughout the project.

I will not allow another's property or personality to be abused.

#### Seek to grow in my personal and corporate prayer life.

I will seek the Lord daily through prayer and Bible study. I will purpose in my heart to leave more spiritually mature than when I arrived. I have read the Mission TC responsibilities listed above and the dress code and agree to follow them during the week I am participating in a Mission TC project. I understand that failure to do so will result in disciplinary action.

Please remember that Mission TC is a mission experience. Participants are on mission at all times: At work sites, at the church facility, while traveling in the vehicles, and during any free time activities. A lot of advance work has been done to ensure that residents of the community know who we are and why we are there. We are closely watched. How we dress is an important part of our witness. Participants should make a special effort to wear clothes that are modest and appropriate for the work to which we have been called.

Only students 17 years and older may be allowed to be on a roof unless approved by Pastor John.

# DRESS CODE BY MISSION TC WHILE AT THE WORK SITE AND CHURCH FACILITY:

- Sleeved shirts are to be worn by all participants at all times (no spaghetti straps or midriffs—this includes dresses) at the work sites, worship and the church facility.
- Long pants must be worn at the construction work sites. Scrubs can be worn, but pants made of heavy cloth, like denim, is preferred.
- Shorts are only acceptable during evening worship, and at the church facility. Shorts should be modest in length. No short shorts.
- Participants are to be fully dressed in accordance with this dress code any time they are outside their assigned room at the church facility. Shorts or long pants and a sleeved shirt are required in worship, and en route to showers if provided.
- Durable shoes with closed toes must be worn at all project sites. Sandals are not acceptable. Shoes or boots with heavy soles are highly recommended for construction projects.
