

VANDEMAR SOD FARMS K

SPRAY TECHNICIAN

Starting in 1988 with just a few acres, Vandemark Sod Farm has expanded greatly and is now a primary sod supplier to Wake County and the surrounding area. For 29 years, our family-owned business has enjoyed a reputation for the best sod quality, selection and service to the Triangle. Our main product is turf, which we provide to the landscaping industry, as well as, athletic fields and golf courses across North Carolina. We grow, harvest and ship six types of sod from our Whitakers and Spring Hope locations. The Spray Technician position is full time, year round position. If you meet the following job qualifications, please fill out an application online, stop by the farm, or email a detailed resume.

JOB DESCRIPTION AND RESPONSIBILITIES

The Spray Technician is responsible for the day to day spray operations at our 600 acre Whitakers farm and other Vandemark Farm locations in the area. Applicants must have a strong work ethic, willingness to learn, and be dependable. This position will work closely with the Production Foreman. The Spray Technician will be exposed to all aspects of sod farm operations including but not limited to sod production, fertilizing, spraying, calibration, and irrigation. The Spray Technician will be responsible for completing tasks that are assigned.

The primary tasks of the position include:
