

Eden Children's Village Needs List

There is literally something for everyone on this list! Read it to the end and determine what you have that you can share or find something that you can supply (or know someone who can). It's garage sale season and there are treasures just waiting to be found! There are about 150 children at Eden and many local adult workers who will be very grateful for what we share with them from our bounty!

We are blessed to be a blessing!

Children and Teenager Needs

Kitchen equipment & supplies

A number of items were submitted on more than one list (ziplock bags, post-it notes, shoes, etc) but they are only listed in one place on this list. All kinds of kitchen equipment and supplies are needed as they add new homes to accommodate more children. A food lab is also in the works which will need to be equipped as well.
