MEMORANDUM OF UNDERSTANDING

A MEMORANDUM OF UNDERSTANDING entered the date of recording, by SALT LAKE CITY CORPORATION (“the City”) and Local 81 of the INTERNATIONAL ASSOCIATION OF FIREFIGHTERS (“Local 81”).

RECITALS

A. The City has recognized the value of collectively bargaining, with Local 81, the terms and conditions of employment for Firefighters, Specialists, Paramedics, Fire Captains (“Sworn Employees”), as well as Fire Logistics Coordinators and Fire Prevention Specialists (“Non-Sworn Employees”), collectively referred to as (“Eligible Employees”) in the Salt Lake City Fire Department (“SLCFD”) pursuant to the Collective Bargaining and Employee Representation Joint Resolution dated January 13, 2009 (“Resolution” included as Attachment 1). The Resolution identifies Local 81 as Local 1645, its designation at the time of its passage.

B. The City and Local 81 have negotiated and have reached agreement on the terms and conditions of Eligible Employees’ employment for the period July 2, 2021 through June 30, 2024.

C. The City and Local 81 recognize that this Memorandum of Understanding (“MOU”), does not modify the City’s authority or obligations established by the Utah Constitution and Utah statutes.

D. The City and Local 81, recognizing that at times, increased benefits have been provided instead of wage increases, jointly desire to establish the wage structure, benefits, and employment conditions of Eligible Employees as required by the Resolution in order to promote the efficient operation of the SLCFD and to provide an appropriate method of handling and processing grievances.

AGREEMENT

NOW, THEREFORE, the City and Local 81 agree to the following:

ARTICLE 1 – AUTHORITY

The Resolution authorizes the City and Local 81 to negotiate an MOU to provide fair compensation for Eligible Employees, to prevent work interruptions, to promote efficient operations of the City, to promote safe operations in the SLCFD, and to provide an orderly and prompt method of handling grievances.

ARTICLE 2 – RECOGNITION

The City recognizes Local 81 as the exclusive bargaining agent for full-time Eligible Employees in the SLCFD for the purpose of negotiating their wages, hours, and other conditions of employment.

ARTICLE 3 – RIGHTS AND OBLIGATIONS

A. Management Rights and Declaration

Except as specifically changed by the terms of this MOU, the City retains the exclusive right to decide how to manage its employees and to direct its operations.

SLCFD is committed to apply NFPA 1710, OSHA and applicable Standard of Cover guidelines related to the safe and effective response to emergency scenes and will evaluate and improve service delivery within Salt Lake City with these standards in mind.

B. No Strike Clause

Local 81 and Eligible Employees in the SLCFD are prohibited from promoting, sponsoring, engaging in or encouraging, directly or indirectly, any strike, slowdown, interruption of operations, absence from work upon any pretext or excuse, sickout, withholding of services, interference with services provided by the City, or any other interruption of the City's operations and Local 81 will use its best efforts to encourage all Eligible Employees to comply with this section.

C. No Lockout Clause

The City will not lock out any Eligible Employees during the MOU's term.

D. Employee Rights

Eligible Employees have the right to join and participate in Local 81's activities for representation purposes or to refuse to join or participate in Local 81's activities.

Eligible Employees also have the right to represent themselves individually in their employment relations with the City. Local 81 agrees it will not restrain or coerce any Eligible Employee from exercising their rights. The City and Local 81 agree they will not discriminate against any Eligible Employee based upon membership or non-membership in Local 81.

Except in an emergency declared pursuant to State or City law, no Eligible Employee will be required to perform law enforcement duties, except for arson investigations and fire prevention duties, or any other duty or work normally performed by another City department.

E. Local 81 Rights

Local 81 has the right to present its views to the City either in written or oral form.

F. Local 81 Business

Local 81 business such as soliciting membership, collecting dues, electing officers, membership meetings, observing grievance proceedings and posting and distributing literature will be conducted on an Eligible Employee's personal time and will not interfere with SLCFD operations, except as follows:

- Elected Local 81 officers will be allowed a reasonable period during working hours to attend Local 81 meetings or participate in other Local 81 business as necessary.
- The officer will provide the Chief or designee notice as soon as possible, but not less than twenty-four (24) hours in advance of such meeting.
- Eligible Employees designated as official delegates to Local 81 conferences and conventions will receive paid time off to attend conferences and conventions. However, not more than two Eligible Employees from the same shift shall attend such conferences and conventions.
- The total aggregate time off for employees serving as officers or official delegates will not exceed thirty-four (34) working shifts (or additional shifts as approved by the Fire Chief or designee) per year. Four (4) of these working shifts shall be for the use of an Eligible Employee serving on the Board of Directors of the Professional Fire Fighters of Utah ("PFFU") to conduct business related to the activities of the PFFU.
- The total number of employees taking time off to attend Local 81 meetings or otherwise participate in Local 81 business at the same time shall not exceed six (6) employees (unless the Fire Chief or the Fire Chief's designee expressly allows additional employees to participate).
- Local 81's President will notify the Chief or designee of any request to attend a conference as soon as possible, but no less than thirty (30) days prior to the conference.
- The Eligible Employee involved will receive permission before attending the conference. Time off under this clause will not be counted as time worked for the purpose of computing overtime.
- SLCFD agrees to provide Local 81's President a reasonable amount of time to assist in the administration of the MOU.

G. *Dues Deduction*

The City agrees to deduct Local 81 membership dues from an employee's pay when the employee makes a written request and forward all collected dues to the Local 81 on a monthly basis. The City also agrees it will stop making deductions upon an employee's request. The City will notify Local 81 of any request.

Local 81 will notify the City of any change to the membership dues thirty (30) days before the effective date.

ARTICLE 4 – REPRESENTATION

A. *Local 81's Representation Rights and Obligations*

1. Local 81 agrees to represent in good faith Eligible Employees' interests in the SLCFD without discrimination and without regard to membership in the Local 81. Local 81 has the right to determine the method and means of its Eligible Employees' representation.
2. No Employee shall be represented in their employment relations with the City by an agent or representative of a competing employee organization other than Local 81.
3. SLCFD will provide Local 81's representatives, upon proper notification to their immediate supervisors, a reasonable opportunity during working hours to investigate and resolve grievances. The Fire Chief or designee must approve any time for these activities beyond two (2) hours per week. Local 81 representatives will be held to the same standard of confidentiality in these matters as the City. Any discussion among Local 81 representative, the employee, and the City concerning settlement of items grieved will be privileged matters and may not be used for any other purpose by either party.
4. Neither City nor Local 81 representatives may delay, interfere with, nor otherwise obstruct any City investigation conducted in compliance with the terms and conditions of this MOU.
5. Local 81 may represent a Separated Employee (as that term is defined in Article 26) in the process provided for in Article 26.

B. *Eligible Employee Representation Rights*

1. Unless otherwise agreed upon by the parties, an Eligible Employee may be accompanied and assisted by up to two representatives when subject to an investigative interview or pre-determination hearing as provided for in Article 16, Procedural Rights. The representatives may not be a person subject to the same investigation.
2. An Eligible Employee's right to representation does not apply to regular employee evaluations.
3. An Eligible Employee's right to representation does not apply to an inquiry, coaching, instruction, or direction given to an Eligible Employee by his or her immediate supervisor regardless of whether the action is documented or undocumented.
4. Unless otherwise agreed upon by the parties, an Eligible Employee may be accompanied and assisted by up to two representatives during any stage of the grievance process.
5. SLCFD will grant an Eligible Employee a reasonable amount of time to obtain representation before any disciplinary investigation without threat of discipline or other adverse employment action.

ARTICLE 5 – WAGE SCHEDULE AND LONGEVITY

A. *Wages*

The Department will classify employees for purposes of compensation as one of the following:

- A Fire Logistics Coordinator.
- A Fire Prevention Specialist.
- Firefighter-EMT.
- Firefighter-Specialist (i.e. Engineer; Haz-mat Tech; ARFF; Heavy Rescue Tech; Inspector, Investigator, Public Education Specialist, Swift Water Rescue Tech, AV Specialist, SCBA Tech, EMT Coordinator, Instructor or other Firefighter- Specialists as approved by the department Chief).
- Firefighter-Paramedic.
- Fire Captain.

The City and Local 81 agree the City will use two rates of pay, either Operations Rate or a Support Rate, to compensate Eligible Employees. The hourly Operations Rate will be computed based upon a fifty-six (56) hour work week. The hourly Support Rate shall be computed based upon a forty (40) hour work week.

Sworn Employee pay rates for Firefighter-EMT, Firefighter-Specialist, Firefighter-Paramedic and Fire Captain will be based upon the rate of pay for Firefighter-EMT ("Firefighter Rate") and determined by the completion of requirements and years of completed service with the City. Firefighter-Specialists will be paid the Firefighter-EMT wage rate plus seven percent (7%). Firefighter-Paramedics will be paid the Firefighter-EMT wage rate plus 15.4%. Non-Sworn Fire Prevention Specialists will be paid on the same schedule at a rate of ninety-five percent (95%) of the Firefighter-EMT wage rate. Non-Sworn Fire Logistics Coordinators will be paid in accordance with the rates and schedule summarized in Appendix A, provided the top rate of a Non-Sworn Fire Logistics Coordinator shall be 72.3% of a Firefighter –EMT top rate.

The top Captains pay rate will be the top Firefighter-EMT wage rate plus 30.92%. Captains will be paid at 91.57% of this top wage rate for the first six months after promotion and one-hundred percent of this top Captain's wage rate thereafter.

The wage rates are summarized in the pay schedule attached hereto as Appendix A. The rate of pay will be determined by years of completed service with the Department (except in the case of the year one pay rate which will require the completion of probation or completion of one year of service, whichever occurs later, and the year two pay rate which requires the completion of his or her apprenticeship or two years of service, whichever occurs later). An Eligible Employee may subsequently move to a higher pay rate during the effective dates of the wage schedule in the event that the passage of his or her anniversary date results in the Eligible Employee completing the requisite number of completed years of service.

In recognition of the unique challenges associated with public safety employment, the City is committed to providing its firefighters with a competitive compensation package that aims to the top of the market for such employment in the State of Utah.

In furtherance of that goal, subject to the limitations set forth in state law and Articles 22, 23, and 25 of this MOU, the following wage increases will be provided during the term of this Agreement:

Effective June 27, 2021 – 4%
Effective July 1, 2022 – 3%
Effective July 1, 2023 – 3%

B. *Certifications*

Except as otherwise noted, Certification as used in this Section shall mean that an Eligible Employee has taken the necessary training and/or testing and holds and maintains a certification in the following areas: Engineer, Haz-Mat, ARFF, Heavy Rescue, Swift Water Rescue, Inspector, and Investigator.

1. Eligible Employees will receive an additional one-hundred dollars (\$100) each month if they hold all of the applicable Certifications necessary for and are regularly assigned to the following bid positions (or in the event the Department determines that an Eligible Employee's bid position requires multiple certifications):

Heavy Rescue Team:

- Firefighter-Paramedics not to exceed 3 per platoon
- Firefighter-Engineers not to exceed 2 per platoon
- Captains not to exceed 3 per platoon

Haz-Mat Team:

- Firefighter-Engineers not to exceed 2 per platoon
- Captains not to exceed 3 per platoon

Swift Water Rescue:

- Firefighter-Paramedics not to exceed 3 per platoon
- Firefighter-Engineer not to exceed 1 per platoon
- Captain not to exceed 1 per platoon

ARFF:

- Firefighter-Paramedics not to exceed 3 per platoon
- Captains not to exceed 3 per platoon
- Engineers not to exceed 1 per platoon

C. *Longevity*

Eligible Employees will receive longevity pay based upon continuous years of service with the City. Eligible Employees who have completed six (6) continuous years of City employment will receive a monthly longevity benefit of \$50 per month; Eligible Employees who have completed ten (10) continuous years of City employment will receive \$75 per month; Eligible Employees who have completed sixteen (16) continuous years of City employment will receive \$100 per month; and Eligible Employees who have completed 20 continuous years of City employment will receive \$125 per month.

Longevity pay is in addition to the wages stated in the pay schedule. Longevity pay will be included in the calculation of base pay for purposes of pension contributions.

D. Overtime

An Eligible Employee who is regularly assigned to an Operations crew will receive the Operations Rate of pay, except that a firefighter regularly assigned to an Operations crew will receive a premium overtime rate of one and one-half the Support rate of pay for all work performed outside of any Operations crew shift. Operations crew shift work includes all work performed by an Eligible Employee during a shift period but does not include holdover work performed immediately after the conclusion of an Eligible Employee's Operations crew shift. When an Eligible Employee is required to hold over at the conclusion of an Operations crew shift, the Eligible Employee will receive a premium overtime rate twice the Operations rate of pay for all holdover work.

For an Eligible Employee who is regularly assigned to work other than an Operations crew ("Support work"), the Eligible Employees will receive the Support Rate of pay, except that an Eligible Employee regularly assigned to Support work will receive one and one-half the Operations Rate when the Eligible Employee works all or part of an Operations crew shift. If a Support work employee works all or part of an Operations crew shift and is required to hold over at the conclusion of the Operations crew shift, the Eligible Employee will receive a premium overtime rate twice the Operations rate of pay for all hold over work.

E. Support Differential

An Eligible Employee designated by the Department as a Firefighter-EMT, Firefighter-Specialist, Firefighter-Paramedic, or Captain that is regularly assigned Support work will receive, for hours worked in Support, a differential wage increase equal to two percent (2%) of the employee's base wage rate.

ARTICLE 6 – HOURS OF SERVICE AND OVERTIME

A. Hours of Service

The Fire Chief or designee may require an Eligible Employee to perform work beyond the Eligible Employee's regularly scheduled duties. Whenever possible, SLCFD will solicit volunteers for overtime work. Forty hours within a seven-day week shall constitute a normal work period for all Eligible Employees, except Eligible Employees assigned to the Operations Division. Two (2) consecutive 24 hour shifts shall constitute a normal work period for Eligible Employees regularly assigned to the Operations Division.

B. *Exchange of Time*

Sworn Employees may exchange time in accordance with provisions outlined in the Fair Labor Standards Act (substitution of work scheduled) when the exchange does not interfere with SLCFD operations and with the approval of the Sworn Employee's supervisor. An exchange may be denied if the proposed exchange would impair one of the Sworn Employee's training and proficiency responsibilities.

C. *Overtime Compensation*

Eligible Employees shall be paid overtime compensation as required by the Fair Labor Standards Act and as enhanced by this MOU. In determining "hours worked" for purposes of identifying overtime work performed, Eligible Employees and SLCFD shall record an employee's exact time worked in minutes, if practical, or time worked to the nearest 15 minutes. Each Eligible Employee shall verify that the recorded time accurately reflects the actual time worked.

An Eligible Employee required to perform authorized overtime work shall be compensated by pay at one and one-half the applicable rate.

D. *Standby/On-Call*

Appropriate SLCFD officers may require Eligible Employees to keep themselves immediately available for City service during otherwise off-duty hours. Such employees shall receive the following compensation: Eligible Employees shall be compensated one (1) hour of straight-time pay for each twenty-four (24) hours or significant portion thereof for being immediately available. This compensation shall be in addition to any callback pay or pay for time worked the Eligible Employee may receive during the standby/on-call period. The City and Local 81 understand that standby/on-call compensation under this paragraph will not be counted as time worked for purposes of overtime compensation but will be added to the Eligible Employee's regular rate of pay when calculating any overtime compensation.

E. *Callback*

Eligible Employees who are directed to report to work during their scheduled off-duty time or while on standby and who arrive at a fire station, incident scene, or place of assignment shall be compensated with a minimum of four (4) hours' pay.

Eligible Employees who are directed to report to work during their off-duty scheduled time or while on stand-by and who are cancelled prior to arrival at a fire station, incident scene, or place of assignment shall be compensated with a minimum of one (1) hour's pay.

In those cases where an Eligible Employee is not directed to report to work (to a station or to an incident scene) but is required to perform City work at home (including telephone advice) or at another location, the Eligible Employee shall be paid only for time worked. The Eligible Employee shall receive overtime compensation, based upon the total hours in the designated pay period as provided for in the Fair Labor Standards Act, for time worked on callback duty.

Eligible Employees will be paid at the Support rate of pay whether such call back is for Support work or for work on an operations shift.

F. Additional Support Work

The City and Local 81 agree that Eligible Employees in Support who volunteer for work beyond their regularly scheduled work assignments do not qualify for Callback under Subsection E. However, in the event such voluntary additional work involves returning to work, rather than extending a shift, the voluntary additional work shall be subject to a guaranteed two (2) hours paid at the applicable FLSA pay rate for hours actually worked and the remainder, if any, paid at straight-time.

G. Temporary Assignments

Sworn Employees may be temporarily assigned to perform duties not normally assigned to their current position. Upon expiration of such temporary assignment, the Sworn Employee shall be restored to the position occupied at the time such temporary assignment was made. In making the temporary assignments described in this paragraph, assignments shall be provided, if practical, by the station officer, following notification of the appropriate battalion chief, from the available firefighters on duty and available for that assignment at that station. Any Sworn Employee who is assigned to work out of classification must be a journey level firefighter. When this assignment is not made as described above, the Fire Chief or designee will make temporary assignments giving consideration to station location, certification, and the staffing needs of SLCFD.

Any Sworn Employee assigned to perform duties normally assigned to others within the group of Sworn Employees, Acting Out of Class, will be paid a differential equal to a rate of One Dollar and Fifty Cents (\$1.50) per hour for each hour worked.

Any Sworn Employee assigned to perform duties normally assigned to a supervisory/managerial position outside of the normal duties of those in the same rank in the Operations Division, In Charge, will be paid a differential equal to a rate of Two Dollars (\$2.00) per hour for each hour worked.

Any Sworn Employee not assigned to the Operations Division, who is assigned to perform duties normally assigned to a supervisory/managerial position not in the Operations Division, In Charge, will be paid a differential equal to a rate of Two Dollars (\$2.00) per hour for each hour worked. An Sworn Employee required to work

out of his or her job classification in a supervisory or managerial position not assigned to Operations Division will receive an additional Two Dollars (\$2.00) per hour for each working day or shift. Attempts to avoid the intent of this paragraph shall be discouraged.

Captains do not qualify for temporary assignment unless assigned to the position of Battalion Chief/Division Chief in which case they would receive an additional Two Dollars Fifty Cents (\$2.50) per hour for each hour worked.

ARTICLE 7 – HOLIDAYS

A. Holidays Specified

The following days shall be recognized and observed as holidays for all full-time Eligible Employees not assigned to the Operations Division:

1. New Year's Day (January 1)
2. Martin Luther King, Jr., Day (the third Monday of January)
3. Presidents' Day (the third Monday of February)
4. Memorial Day (the last Monday of May)
5. Independence Day (July 4)
6. Pioneer Day (July 24)
7. Labor Day (the first Monday of September)
8. Veterans' Day (November 11)
9. Thanksgiving Day (the fourth Thursday of November)
10. Day after Thanksgiving
11. Christmas Day (December 25)
12. One personal holiday may be taken upon request of the Eligible Employee regularly assigned to day work at the Fire Chief's discretion.

Eligible Employees of the Operations Division, in lieu of days off for the preceding enumerated holidays, shall be granted six (6) on-duty shifts (144 hours) off per year, to be taken at such times as approved by the Fire Chief. The number of on-duty shifts off in lieu of holidays granted to Eligible Employees hired during the most recent calendar year will be pro-rated according to their date of hire.

B. Alternative and Additional Holidays for Support Division

When any holiday listed above falls on Sunday, the following business day shall be considered a holiday. When any holiday listed above falls on Saturday, the preceding business day shall be considered a holiday. When any holiday listed above falls on a weekday that is not a regularly scheduled workday for an employee, the holiday will be observed on the preceding or following regular workday, whichever is closest in time to the holiday listed above. An Eligible Employee may move a designated holiday and observe it on any day within the forty (40) hour work week in which the designated holiday falls upon request to and express approval by the employee's Division Chief.

In addition to the above, any day may be designated as a holiday by proclamation of the Mayor or the City Council.

C. Work Required on Holiday for Support Division

In the event an Eligible Employee in the Support Division is required by the Department to work on a day designated as a holiday, the Eligible Employee will be compensated at the rate of one-and-one-half (1½) times the employee's wage rate for hours actually worked on said holiday.

D. Holiday Payout upon Separation

When Eligible Employees retire or leave City employment for any reason, the City shall compensate them for any holiday time earned and unused. For the purposes of calculating a holiday payout upon separation, Eligible Employees in Operations shall be credited with earning holidays on a pro-rata basis of 12 hours per month of time worked in the calendar year in which the separation occurs, less holidays previously used.

ARTICLE 8 – VACATIONS

A. Vacation Authorized/Use of Vacation

1. Eligible Employees shall be entitled to receive their regular wages during vacation periods earned and taken in accordance with the provisions of this article.
2. Vacation is continuously accrued in hours but is taken in the next calendar year in increments of shifts (for those on Operational Duty) and days (for those on Support Duty).

3. The term "Support," as used herein, shall mean eight or ten hour days. Eligible Employees working Support Duty who use a vacation day in lieu of a regularly scheduled workday shall have the number of hours for the regularly scheduled work day subtracted from the total amount of accrued vacation hours.
4. In the event vacation hours need to be converted from Operational Duty to Support Duty, they shall be converted at a ratio of 3:2 (i.e. twenty four (24) hours of Operational Duty vacation shall equal sixteen (16) hours of Support Duty vacation) and vice-versa.

B. Vacation Accumulation Schedule

1. Eligible Employees who have completed less than one (1) continuous year of service with the City will have available to them, in the next calendar year, the number of full shifts (or days) of vacation earned prior to December 31st and shall receive payment for all vacation accrued in excess of the full shifts (or days) based upon their regular rate of pay (i.e. an Eligible Employee with less than one (1) continuous year of service with the City who has accrued fifty two (52) hours of Operational Duty vacation prior to December 31st will have available to them, in the next calendar year, two (2) shifts and will be paid the remaining four (4) hours at his or her regular rate of pay). However, such available vacation may not be taken until an Eligible Employee has completed his or her probationary period.
2. All other Eligible Employees will have available to them, in the next calendar year, the following number of shifts or hours based upon the years of continuous service with the City:

Number of Continuous Years of Service with City	Vacation	
	Support (in hours)	Operations (in shifts)
1-3	96	6
4-6	112	7
7-9	128	8
10-12	144	9
13-14	160	10
15-19	176	11
20	200	12.5

C. Rules for Taking Vacation

The Fire Chief shall conduct an annual vacation draw prior to December 1st of each year. Annual vacation periods may be divided into two or more separate periods as are deemed necessary by the Fire Chief or as requested by the Eligible Employee and approved by the Fire Chief or designee. The deadline by which employees must

submit their selected vacation periods shall be December 31st of each year. Unless the Fire Chief, or the Fire Chief's designee, determines an exception is warranted due to extenuating circumstances, employees who fail to submit their selected vacation periods by December 31st shall lose their priority status and must select from any remaining available vacation periods.

Upon approval by the Fire Chief or designee, Eligible Employees may accumulate vacation (including both earned vacation and sick leave conversion time) according to the length of their full-time continuous years of employment with the City up to the following maximum limits:

- After 6 months: up to 15 shifts (30 days);
- After 9 years: up to 17.5 shifts (35 days);
- After 14 years: up to 20 shifts (40 days).

Any vacation earned or accrued beyond said maximum shall be deemed forfeited on December 31 of each calendar year. However; notwithstanding the foregoing and for good cause shown prior to a forfeiture date, the Fire Chief or designee may allow an Eligible Employee to accumulate additional vacation time, which must be used within one (1) year of the date such extension was granted, up to a maximum amount of:

- Two and a half (2.5) shifts within a five (5) day period if the employee works in an Operations capacity; and
- Forty (40) hours within a seven (7) day period if the employee works in a Support capacity.

Except in cases of FMLA-qualifying events, accumulated vacation can only be used with permission of the Fire Chief or designee.

Except upon separation as provided in Section D, no Eligible Employee shall be entitled to be paid for vacation earned but not taken.

D. Vacation Benefits upon Separation

- When Eligible Employees retire or leave City employment for any reason, they shall be entitled to be paid for:
- All earned vacation time accrued, unused, un-forfeited and forwarded from previous years, plus;
- All vacation accrued, un-forfeited and unused for the year of employment during which the termination shall occur.

During the term of this MOU, for Tier I Eligible Employees, the City shall pay the employer's and the Eligible Employee's monthly retirement contributions required to be paid to the Utah State Retirement Fund at the contribution rate determined or adjusted by the Utah State Retirement Board.

For Eligible Employees hired after July 1, 2011 and enrolled in the Tier 2 Public Safety Retirement System, as defined in state code, the City shall make the contributions to the Tier 2 Hybrid Retirement System or the Tier 2 Defined Contribution Plan pursuant to the Eligible Employee's election and as required by the statute.

The City will make available a Section 457 and 401k (IRS Code) Deferred Compensation Plan and where possible other deferred compensation plans consistent with state and federal laws.

ARTICLE 14 – SIGNIFICANT EXPOSURE

The City and Local 81 recognize the importance of testing for infectious disease any individual who causes a significant exposure to an Eligible Employee. The City shall provide appropriate legal support to move, as provided in Utah law, for a necessary court order directing such testing. The City shall also provide all necessary medical

evaluation and follow-up medical intervention for an Eligible Employee who has been subject to significant exposure. The City and Local 81 shall develop a training program for Eligible Employees and their supervisors, regarding appropriate actions when an Eligible Employee has a significant exposure.

ARTICLE 15 – STANDING COMMITTEES

A. Labor Management Committee

There shall be established a committee composed of the Executive Staff of the SLCFD and the Executive Board of the Union. This committee shall meet as needed and shall create and maintain minutes of all committee meetings or actions. Such records shall be maintained for at least five years after the date of any meeting or action.

Either the SLCFD Executive Staff or the Local 81 Executive Board may propose issues or matters to be considered by the Labor Management Committee. Any such matters shall be considered at the next scheduled Labor Management Committee meeting, unless both the Local 81 President and the Fire Chief agree that the matter is of an urgent nature; in which case the Labor Management Committee shall be immediately assembled.

The Labor Management Committee shall oversee and give direction to all other standing committees. The Labor Management Committee may form other committees for the fulfillment of the SLCFD's strategic plan or mission. When established, the Labor Management Committee shall specify for each committee the number of persons on the committee, the committee make up, the purpose and function of the committee, how often the committee will meet, and the length of time the committee shall be in existence.

The Labor Management Committee shall review, edit, and approve the charters which shall then govern the committees' activities. The charter may be altered or expanded at any time with the approval of the Labor Management Committee.

It is understood that the Labor Management Committee is an advisory body and shall not act to pre-empt the authority of the Fire Chief or members of the SLCFD Executive Staff. Similarly, the Labor Management Committee shall have no authority to direct legal and appropriate Local 81 activities.

The Labor Management Committee has no authority and no role in considering individual matters grieved under this MOU, except as expressly provided for herein. However, the Labor Management Committee may consider necessary changes to SLCFD policies and procedures that may arise out of individual matters grieved.

B. *Safety, Wellness and Personal Protective Equipment (PPE) Committee*

There shall be a Safety, Wellness and PPE Committee established to make recommendations to the Labor Management Committee on methods and means of reducing illness, injuries, and accidents in the SLCFD and promote overall fitness of the SLCFD. The Committee shall consist of nine (9) members: six (6) appointed by the Local 81 President and three (3) appointed by the Fire Chief or designee. The Committee shall appoint two co-chairpersons (co-chairs), one shall be a Local 81 appointee and one a Fire Chief appointee. The Safety, Wellness and PPE Committee shall schedule and call its own meetings. It should consider any matter referred to it by the Labor Management Committee. However, it may, independent of the Labor Management Committee, evaluate and investigate the safety needs of the SLCFD and report to and make recommendations to the Labor Management Committee.

C. *Apprenticeship Committee*

There shall be a Joint Apprenticeship Training Committee (JATC) responsible for the oversight of the SLCFD apprenticeship program, as approved by the Fire Chief. The JATC shall consist of six (6) members, three (3) appointed by the Local 81 President, and three (3) appointed by the Fire Chief. The JATC shall appoint two co-chairs. One shall be a Local 81 appointee and one a Fire Chief appointee. The JATC shall meet as needed. The JATC shall monitor the progress of individual apprentices and report to and make recommendations to the Labor Management Committee.

D. *Bid Committee*

The bid committee will consist of one member appointed by the Fire Chief or designee and one Eligible Employee from each of the following classifications: Captain, Engineer, Paramedic, ARFF, HRT, Swift Water Rescue, Haz- Mat. Committee members will be selected by the Labor Management Committee and the Committee shall appoint two co-chairs, one appointed by Local 81 and one by the Fire Chief.

The Chief of the SLCFD or his delegated subordinate officer may assign apparatus, resources, or personnel, as they deem appropriate for the performance of the SLCFD's mission. In an effort to provide a fair and equitable way of assigning personnel to positions within the SLCFD, a bid procedure allowing members of the SLCFD to express a preference for work assignments is instituted. Bid positions shall be based upon openings for Eligible Employees and all promotable positions.

The Bid Committee will meet on an annual basis beginning in January of each year and on every April, July, and October thereafter. By May 1 of each year, the Bid Committee may submit, in writing, proposed rule changes to the bid procedure to the Labor Management Committee.

E. EMS Committee

There shall be an EMS Committee established and responsible for the oversight of the SLCFD's emergency medical system, as approved by the Fire Chief. The Committee shall consist of fourteen (14) voting members and two (2) non-voting members. Voting members will consist of: three Operations Paramedics (one from each platoon appointed by the Local 81 President); three (3) Operations EMTs (one from each platoon appointed by the Local 81 President); three (3) Operations Captains (one from each platoon appointed by the Local 81 President); one (1) Operations Airport Paramedic (appointed by the Local 81 President) the Battalion Chief of the Medical Division, the Captain of the Medical Division, and the Department Medical Director. The two non-voting members will be the EMS Transport Representative (agreed upon by both Department and Local 81) and the Medical Office Facilitator. The Committee shall appoint two co-chairs, one who shall be a Local 81 appointee and one who shall be appointed by the Fire Chief. The Committee will meet as necessary. The Committee may provide recommendations to the Fire Chief and Labor Management Committee regarding protocols, equipment, supplies, research, inter-hospital matters, and transport issues.

F. Engineers Committee

There shall be an Engineers Committee established for the oversight of fire apparatus design, maintenance, and purchase as well as continuing Engineer training, as approved by the Fire Chief. The Committee shall consist of ten (10) members, which shall be comprised of nine (9) Engineers (three from each platoon appointed by the Local 81 President) and the Apparatus Captain.

The Committee shall meet as needed. The Committee shall appoint two co-chairs, one who shall be a Local 81 appointee and one who shall be appointed by the Fire Chief or designee. The Committee may provide recommendations to the Fire Chief and Labor Management Committee regarding these issues.

G. Dispatch/Communications Committees

SLCFD shall continue to participate in committees established by or with other City departments or divisions concerning dispatch and radio communications. One of the Eligible Employees assigned to participate on such committees shall be selected by the President of Local 81 with the remainder selected by the Fire Chief. Participation in such committees will be treated as participation on a standing committee for the purposes of subsections H and I of this Article. In the event the other departments and/or divisions cease to have committees related to dispatch and radio communications, the Labor Management Committee may elect to establish one within the SLCFD as a standing committee.

H. Limitations on Participation

In an effort to broaden the opportunities for service upon Committees, participation thereon shall be term limited. Except for those positions permanently designated by specific job title in the preceding Sections (i.e. Apparatus Captain or Safety Officer), membership on any one Committee shall be limited to a term of two (2) consecutive calendar years. Committee members may return to a Committee after the completion of this term after being off of the Committee for one year. Membership shall also be limited to one standing Committee at a time. These limits may be waived by the Labor Management Committee in the event that there are not enough interested people to fill the available slots or for other good cause. Members of Committees appointed by Local 81 may be removed by Local 81 and members appointed by the Fire Chief may be removed by the Fire Chief or designee.

I. Compensation for Committee Work

Time spent in committee meetings or on authorized committee activities shall be considered “time worked” for purposes of determining compensation for non-exempt FLSA employees. This provision shall also apply to work performed on any authorized City/Department committee not expressly provided for herein.

J. Scope of Committee Authority

The Committees referenced above are authorized to make recommendations to the Labor Management Committee and shall have no other authority beyond that of non-binding recommendations. All issues brought before the Committees will be considered by the appropriate Committee whether such issue comes from a union member or the administration.

ARTICLE 16 – PROCEDURAL RIGHTS

It is the intent of this article to provide procedural safeguards to Eligible Employees who are under investigation for conduct that may lead to discipline. An Eligible Employee’s right to representation does not apply to an inquiry, coaching, instruction, or direction given to an Eligible Employee by his or her immediate supervisor regardless of whether the action is documented or undocumented. If, during an inquiry, an Eligible Employee knows or believes that his or her own conduct may lead to discipline, the employee may request that the inquiry occur by investigative interview and any further interviewing of the Eligible Employee concerning the matter shall be conducted pursuant to Section A below.

A. Investigative Interview

When any Eligible Employee is under investigation for conduct that may lead to discipline, the investigation shall be conducted under the following conditions.

Prior to any interview with the Eligible Employee accused of misconduct, the Eligible Employee shall be advised of the following:

- The nature of the complaint, and the specific allegation(s) of misconduct.
- The approximate date(s), time(s), and location(s) of the incident that gave rise to the allegation(s).
- The Eligible Employee's right to have representation as provided in Article IV.
- The investigative interview shall specifically and narrowly focus on the Eligible Employee's conduct.

A recording of the investigative interview session with the Eligible Employee may be made. The City, Local 81 or the Eligible Employee may make a recording of the interview session, provided however, that no recording shall take place without the knowledge of all parties present. Any such recording(s) shall be provided to the City, Local 81 or the Eligible Employee upon request.

Persons conducting the investigation may not:

- Subject an Eligible Employee to offensive language or threaten disciplinary action, except an Eligible Employee refusing to respond to questions or submit to interviews shall be informed that failure to answer questions narrowly and directly related to the Eligible Employee's conduct may result in disciplinary action;
- Make any promise of reward or leniency as an inducement for the Eligible Employee to answer any questions.

The Eligible Employee shall be notified, in writing, of the disposition of any investigation, including a disposition of each allegation, and the action to be administered, if applicable. If the Eligible Employee has not been informed regarding the disposition of any investigation within sixty (60) calendar days after the investigative interview with the employee accused of misconduct, the Eligible Employee may request a status report from the SLCFD's HR Consultant of the investigation and any disposition of charges. Within seven (7) calendar days after receiving the request, the City shall inform the Eligible Employee of the status of the investigation and the likely time required to resolve the charges.

B. Pre-Determination Hearing

The pre-determination process shall provide, at a minimum, the following procedural safeguards:

- The Eligible Employee's right to have representation as stated in Article 4;
- Prior to any pre-determination hearing, the Eligible Employee and his/her representative will be afforded a reasonable opportunity to examine the evidence being relied upon by the City;
- The Eligible Employee will be provided with a notice of the allegations, a statement of the grounds for the allegations and the evidence relied upon;
- The Eligible Employee shall be afforded an opportunity to respond to the allegations; and
- The Eligible Employee will typically be notified of the results of the pre-determination hearing within ten (10) business days (or by the date of their next shift on duty if they are not working on the tenth business day). If rendering a determination will take more than ten (10) business days, the employee will be provided written notice within the ten (10) business day period that the determination will not be available until a later date. If rendering a determination will take more than thirty (30) calendar days, the employee will be also be provided written notice within the thirty (30) calendar day period that the determination will not be available until a later date. If the Eligible Employee has not been informed regarding the determination of the pre-determination hearing within sixty (60) calendar days after the pre-determination hearing, the Eligible Employee may request a status report from the SLCFD's HR Consultant regarding the pre-determination hearing and any determination regarding the charges. Within seven (7) calendar days after receiving the request, the City shall inform the Eligible Employee of the status of the investigation and the likely time required to resolve the charges presented at the pre-determination hearing.

C. Remedy

No Eligible Employee shall be subjected to disciplinary action except upon compliance with the procedural rights provided in this article. Any discipline administered by the City shall be appropriate for the offense and shall take into account the Eligible Employee's employment history including any rescinded

discipline. The City shall apply its rules, orders and penalties even-handedly and without discrimination.

In the event there is a finding by the Fire Chief or designee that these procedural rights have not been substantially complied with, the disciplinary action taken shall be rescinded.

ARTICLE 17 – GRIEVANCE PROCEDURE

It is the City's and Local 81's intent to resolve grievances fairly, properly, and at the lowest operational level possible.

A. General Rules for Grievances

The following rules apply to the three types of grievances outlined in this article.

1. The time limits set forth in this article are of the essence. The City and Local 81 or the Eligible Employee may mutually agree to extend the time limits in writing. Failure by Local 81 or the Eligible Employee to file a grievance within the timelines provided below shall result in the automatic withdrawal of the grievance, unless such failure to timely file was the result of the Eligible Employee's reasonable reliance on a written representation of the City. Once a grievance has been timely filed, failure to follow the timelines as outlined shall cause the grievance to move to the next level. The City shall accept no grievance unless it is submitted or appealed within the time limits set forth in this article.
2. Unless otherwise provided in this MOU, time spent by Eligible Employees resolving grievances is not working time and shall not be compensated. However, if any review of a grievance is held during the Eligible Employee's normal working hours/shift, the Eligible Employee shall not suffer a loss of compensation.
3. An Eligible Employee may be represented per Article 4 of this MOU.
4. An Eligible Employee or Local 81 Board member shall not be subjected to retaliation, punitive action, or discrimination in any aspect of employment for the lawful exercise of the grievance procedure.
5. Only grievances expressly provided herein shall be subject to this grievance procedure.

6. When filing a contractual grievance, Local 81 shall state the basis for the grievance, the relevant facts, and the specific provision(s) of this MOU which Local 81 claims the City violated. No new claims may be made by Local 81 once the grievance has been filed except upon discovery of additional evidence relating to the grievance.
7. When filing a disciplinary or policy/procedure grievance, the Eligible Employee shall state the basis for the grievance. No new basis for appeal may be made by the Eligible Employee except upon discovery of additional evidence relating to the grievance.
8. Such additional evidence discovered in subparagraphs 6 and 7 above, shall be communicated to the City as soon as possible upon discovery.

If the additional evidence is conveyed to the City within ten (10) calendar days from a scheduled hearing date, the hearing date shall be continued for at least fifteen (15) calendar days.

9. In a disciplinary appeal, the Eligible Employee and his/her representative shall have a reasonable opportunity to review all evidence being relied upon by the City prior to any grievance hearing or meeting. Any evidence not provided to the Eligible Employee for reasons of confidentiality or otherwise cannot be used in a grievance proceeding.
10. In a disciplinary grievance hearing, the Eligible Employee and his/her representative shall have the right to question the City's witnesses, call witnesses in his/her own behalf, and to give rebuttal evidence.
11. In the event that a grievance may reasonably be filed under either Section C or Section D herein or it is unclear as to which Section is appropriate, Local 81 may file a notice as provided for herein under either Section C or Section D and then seek a determination from the Mayor's Designee as to the appropriate Section under which such grievance shall be handled. Pending such determination, the deadlines imposed in this Article shall be tolled.

B. Disciplinary Grievance

Discipline subject to the disciplinary grievance procedure provided by this Article includes suspension without pay of twenty four (24) hours or less.

The procedure for resolution of a disciplinary grievance shall be as follows.

Step 1 An Eligible Employee may appeal a suspension without pay of twenty four (24) hours or less by filing a written request for appeal with the Fire Chief or designee within ten (10) calendar days from the date the employee receives the discipline. The Fire Chief or designee shall meet with the Eligible Employee regarding the appeal and may conduct additional meetings or an investigation to resolve the appeal. The Step 1 appeal is not intended to be a formal hearing but rather an opportunity for the employee or Local 81 to present its case. No witnesses will be required to give testimony at this meeting; however, the employee shall be entitled to the information and rights established in Section A.9. of this Article 17. The Fire Chief shall have thirty (30) calendar days after receiving the appeal to provide the employee a written decision. In the absence of an appeal the Fire Chief's decision shall be final and binding.

Step 2 If the grievance is not resolved at Step 1, an Eligible Employee may, within ten (10) calendar days from the Fire Chief's written decision, appeal to the Mayor's Office. An Eligible Employee must file his or her appeal within the time required. The decision of the Mayor shall be final and binding on the aggrieved employee, Local 81 and the City.

Appeals of discipline taken by SLCFD resulting in a suspension of more than twenty four (24) hours, demotion, or termination must be undertaken as provided by State law and City ordinance.

C. Policy/Procedure Grievance

A Policy/Procedure grievance is defined as an alleged violation of a specific provision of the City or SLCFD policies and procedures. An Eligible Employee(s) who believes that he or she has received inequitable treatment because of an alleged violation of a specific provision of SLCFD policy or procedure may, personally, or through representatives, utilize the grievance procedure outlined herein.

The procedural steps for resolution of a Policy/Procedure grievance shall be as follows:

1. Pre-Grievance Procedure & Notice

Prior to the filing of a formal grievance and within thirty (30) calendar days of the event giving rise to the potential grievance or thirty (30) days after the Eligible Employee should reasonably have learned of the event giving rise to the potential grievance, whichever is later, the Eligible Employee must file, in writing, a notice as to the nature of the potential grievance including the specific policy or procedure violated and the facts relevant to the alleged violation. Such notice shall be filed with the Battalion Chief or appropriate Division Chief. The Battalion Chief or Division Chief receiving the notice shall refer the matter to an ad-hoc committee consisting of: 1) a Battalion Chief or Division Chief from a division or platoon other than the one in which the

alleged violation occurred, as appointed by the Fire Chief; 2) a representative designated by Local 81; and 3) a representative designated by City Human Resource department. This ad-hoc review committee shall review the notice and provide, within twenty (20) calendar days, a nonbinding recommendation to the Labor Management Committee as to the merits of the grievance. The review committee need not agree or reach a majority opinion and each member will have the option to submit individual recommendations to the Labor Management Committee. The Labor Management Committee shall then review the original notice and review committee's recommendation(s) at its next available meeting and address the merits thereof. The Labor Management Committee will provide a written notice to the Eligible Employee of its review and the remedy, if any, taken as a result of the employee's filing of notification. If the Eligible Employee is dissatisfied with the Labor Management Committee's explanation or resolution, the employee may proceed to Step 1 of the formal grievance procedure. In the event that a formal grievance is filed under Subsection 2 below, neither the recommendation of the ad-hoc committee or review and remedy suggested by the Labor Management Committee shall be binding on the determination of the Step 1 or Step 2 grievance.

2. Formal Grievance

Step 1 The Eligible Employee shall, within thirty (30) calendar days after receipt of the Labor Management Committee's determination under Subsection 1, file a written grievance with the Fire Chief. Within twenty (20) calendar days after receipt of the written appeal, the Chief or designee shall answer the grievance in writing.

Step 2 If the grievance is not settled at Step 1, the Eligible Employee may, within fifteen (15) calendar days after receiving the Chief's or designee's decision, present the grievance to the Mayor or his/her designee for review, investigation, and final decision. The Mayor or his/her designee shall submit a written decision to the Fire Chief and the Eligible Employee within thirty (30) calendar days following receipt of the grievance. The decision of the Mayor or his/her designee is final and binding.

D. Contractual Grievance

A contractual grievance is an allegation by Local 81 that the City or SLCFD has violated an express provision of this MOU, provided however, that Article 1, "AUTHORITY"; Article 2.A, "MANAGEMENT RIGHTS AND DECLARATION"; Article 16, "PROCEDURAL RIGHTS"; Article 22, "TERM OF MEMORANDUM"; Article 23, "LIMITATION OF PROVISIONS"; Article 24, "WAIVER CLAUSE"; and Article 25, "SAVINGS CLAUSE" of this MOU shall not be subject to the contractual grievance procedure.

A contractual grievance shall be confined exclusively to the interpretation and/or application of the express provisions of this MOU except for the articles described above.

A contractual grievance shall not include disciplinary grievances or claims that procedures in Article 16 were violated.

The procedural steps for resolution of a contractual grievance shall be as follows:

1. Pre-Grievance Procedure

Prior to the filing of a formal contractual grievance and within thirty (30) calendar days of the event giving rise to the grievance or thirty (30) days after Local 81 should reasonably have learned of the event giving rise to the grievance, whichever is later, Local 81 must file, in writing, a notice as to the nature of the grievance including the specific contractual provision violated and the facts relevant to the alleged violation. Such notice shall be filed with the Fire Chief. The Labor Management Committee shall then meet at its next available meeting in an effort to resolve the contractual grievance. If Local 81 is dissatisfied with the outcome of the matter with the Labor Management Committee, Local 81 may proceed to Step 1 of the formal grievance procedure.

2. Formal Grievance

Step 1 Local 81 may, within thirty (30) calendar days after the conclusion of the Labor Management Committee process as provided for in Subsection 1, file a written grievance with the Fire Chief. Within twenty (20) calendar days after receipt of the written grievance, the Chief or designee shall answer the grievance in writing.

Step 2 If the grievance is not settled at Step 1, Local 81 may, within fifteen (15) calendar days after receiving the Chief's or designee's decision, present the grievance to the Mayor's designee for review, investigation, and final decision. The Mayor's designee shall submit a written decision to the Fire Chief and Local 81 within thirty (30) calendar days following receipt of the grievance. This decision shall be final and binding.

ARTICLE 18 – PERSONNEL FILES

An Eligible Employee shall have the right, upon reasonable notice, to inspect such employee's personnel employment file for content. The SLCFD shall notify the Local 81 employees when a document concerning their performance or conduct, whether favorable or not, is sent to the Human Resources Division for placement in an Eligible Employee's personnel file.

ARTICLE 19 – MISCELLANEOUS POLICIES AND PROCEDURES

The City agrees to continue to furnish no-cost annual physical examinations, off-street parking at assigned work sites, and to provide monthly sleeping linen exchange and linen laundering for all members of Local 81.

Eligible Employees who fail the Department's Task Performance Test shall be afforded adequate time and provided with sufficient resources to correct any skill or fitness deficiencies.

ARTICLE 20 – NOTICE OF POLICY CHANGE

In an effort to encourage trust and communication, the SLCFD agrees to give the Local 81 President, unless otherwise agreed upon with the Fire Chief, thirty (30) days written notice prior to the implementation of any changes to the "Fire Department Policies and Procedures Manual." The purpose of the notice provided herein is to solicit input from the Local 81 regarding the written policy change. This provision shall not be construed to limit or discourage efforts of either the Local 81 and/or the SLCFD administration to discuss additional matters of mutual concern.

ARTICLE 21 – LAYOFFS

Whenever it is necessary to reduce the number of Eligible Employee in SLCFD because of lack of work or lack of funds, the City will first lay off probationary employees. If further layoffs are necessary, Eligible Employees will be laid off in inverse order of departmental seniority and rehired pursuant to the Rules established by the Salt Lake City Civil Service Commission or any successor thereto established by City Code.

ARTICLE 22 – TERM OF MEMORANDUM

This MEMORANDUM shall remain in effect from July 2, 2021 through June 30, 2024 with the following exceptions:

It is understood by the parties hereto that certain provisions of this MOU cannot be implemented by the City except upon public notice and hearing and compliance with various statutory and legal requirements. It is in this respect agreed that provisions subject to such legal contingencies shall take effect upon full compliance with such legal requirements.

All financial commitments by the City shall be subject to the availability of funds approved by the City Council and the limitations on future budget commitments provided under State Constitution and Statute.

It is understood by the City and the Local 81 that if the City Council, in its adoption of the City's final budget for the fiscal years covered by this MOU, does not appropriate monies to fund all wage and merit increases, the MOU shall be reopened within the (10) days after adoption of the said fiscal year final budget.

The parties hereto may, by mutual consent, agree to amend this MOU.

ARTICLE 23 – LIMITATION OF PROVISIONS

The provisions hereof shall be effective as provided herein, but subject to approval by the City Council and the City's appropriation of funds. During the term of this MOU, it is the City's intent to make a reasonable effort to maintain a funding level sufficient to satisfy this understanding; however, the parties to this agreement mutually understand that emergencies or revenue shortfalls may alter the ability of the City to satisfy this agreement. Thus, it is expressly understood that this MOU does not bind succeeding elected officials of the City and shall not be construed to compel the City to impose or maintain any tax or fee structure.

ARTICLE 24 – WAIVER CLAUSE

The City and Local 81 expressly waive and relinquish the right, and each agrees that the other shall not be obligated during the term of this MOU, to bargain collectively with respect to any subject or matter whether referred to or covered in this MOU, even though each subject or matter may not have been within the knowledge or contemplation of either or both the City and Local 81 at the time they negotiated or executed this MOU and even though such subjects or matter were proposed and later withdrawn.

The parties further acknowledge that this MOU contains wages and benefit provisions differing distinctly from provisions currently being offered to employees in other units of City employment, and the parties agree to accept such wages and benefits as defined and described in this MOU despite their lack of similarity to or parity with other memoranda, units, or employees.

ARTICLE 25 – SAVINGS CLAUSE

The City and Local 81, hereto believing all the foregoing provisions to be lawful and mutually beneficial to them in establishing their relations as employer and employee, nevertheless hereby agree that if any part of this agreement shall be finally determined by any court of competent jurisdiction to be invalid, such part or parts shall thereby be deemed eliminated from this MOU, and the same in all other respects shall be and remain binding upon the City and Local 81.

In the event laws are passed by the federal government, the state, or the City which conflict with the provisions of this MOU relating to hours or wages, the provisions of this agreement which are in conflict therewith may be reopened for negotiations without affecting the remaining portions of this MOU.

Further, the City and Local 81 acknowledge that an ordinance may be enacted by the City Council during the term of this MOU to supersede the Resolution. If an ordinance is adopted which supersedes the Resolution, the terms and conditions of the Resolution shall continue to govern the provisions of this MOU insofar as such interpretation would not result in an act which is expressly prohibited by the Ordinance.

In the event the subsequently adopted ordinance prohibits the implementation of the provisions of this MOU which are interpreted according to the Resolution relating to hours and wages, said provisions which are in conflict therewith may be reopened for negotiations without affecting the remaining provisions of this MOU.

ARTICLE 26 – REINSTATEMENT AFTER SEPARATION DUE TO INJURY OR ILLNESS

City and Local 81 agree that the following procedure will apply to the process of reinstatement for Eligible Employees who have been separated from employment with the City due to an inability to work as a result of injury or illness (a “Separated Employee”).

A. Reinstatement Requirements and Procedure

1. This procedure will be used to evaluate a Separated Employee for reinstatement within two years of the date of injury or illness or within the time period for reinstatement provided for in the Rule, while applicable, whichever is greater.
2. A Separated Employee on long-term disability wishing to return to work will be required to meet the following conditions prior to this procedure being used:
 - a. The Separated Employee must pass a full medical evaluation, provided by the Department, that meets the requirements of an active-duty annual physical and certifies that the Separated Employee has sufficiently healed from the injury or illness to return to work and fully perform the functions of the job.
 - b. The Separated Employee must have, to the extent able and at his or her own expense, maintained his or her medical certification. If physically unable to do so, the Separated Employee must recertify prior to being reinstated.
 - c. The Separated Employee must pass the TPT test.

- d. Department will allow Separated Employee, upon request, to access or participate in Target Solutions (or other educational programming) or Continuing Medical Education courses at the Separated Employee's expense. Department will use good faith efforts to accommodate a Separated Employee's request to take the TPT.
- 3. Upon the Separated Employee's completion of the conditions provided for herein, the Department will grant the Separated Employee's request for reinstatement under the following conditions:
 - a. Reinstatement is approved by the Fire Chief. In the event of a denial of reinstatement, the Fire Chief must provide Local 81 with a substantive reason for the denial and allow Local 81, on behalf of the Separated Employee, an opportunity to respond to the Fire Chief's determination. If, after such response, the Fire Chief continues to deny reinstatement, Local 81, on behalf of the Separated Employee, may take the matter to the Mayor's Office for review and comment by the Mayor's Office. The final decision, taking into account any feedback from the Mayor's Office, on the Separated Employee's reinstatement to the Department will remain with the Fire Chief.
 - b. There must be an open position within the Department to which the Separated Employee can return. The Department agrees to hold a position open for the Separated Employee for six months after the date of separation unless critical staffing needs require the position be filled or the Separated Employee, or Local 81, expressly states that there is no expectation of reinstatement within six months. If there is no open position at the time the Separated Employee is eligible to return under this procedure, the Department will make good faith efforts to place the Separated Employee once an opening occurs, including reasonably extending the deadline provided for in sub-paragraph B.1, so long as the Separated Employee continues to meet the other conditions provided for in sub-paragraph B.2.
 - c. The reinstatement of the Separated Employee to the Department will be at the same rank held on the date of separation. If no such position is available under subsection (b) above, the Separated Employee may request temporary reinstatement to a lower rank and the procedure provided for herein will apply to such request. Upon an opening occurring at the higher rank, the employee will be reinstated to that position.

B. Separated Employee Not "Eligible Employee"

Nothing in the procedure provided for in this Article shall be construed to convert a Separated Employee into, or otherwise grant the status or rights of, an "Eligible Employee" as defined in this MOU or the City's Joint Bargaining Resolution.

IN WITNESS WHEREOF, the parties hereto have fixed their hands and seals the day and year first above written.

 - (5) Maintain the efficiency of its governmental operation;
 - (6) Determine the method, means and personnel by which the City's operations are to be conducted; and
 - (7) Take whatever actions the City deems necessary to carry out its responsibilities in emergency situations.
- (c) The City intends to:
 - (1) Negotiate in good faith with the unions;
 - (2) Compensate its employees in a fiscally responsible manner;
 - (3) Provide, subject to the availability of funds:
 - (i) appropriate training to union officers, board members and stewards;

business.
- (4) Meet and confer with a union prior to making a decision to
privatize any City function which would result in an eligible
employee losing her or his current position with the City;
- (5) Meet and confer with a union prior to designating an employee as
ineligible for union representation; and
- (6) Notify the appropriate union prior to reclassifying an employee's
position in a manner which makes the employee ineligible for
further union representation.

3. EMPLOYEE RIGHTS.

- (a) Eligible employees have the right to form, join and participate in union
activities for the purpose of representation on all matters of employee
relations described in this Resolution.
- (b) City employees have the right to refuse to join or participate in any union
activity and have the right to represent themselves individually in their
employment relations with the City.
- (c) An eligible employee has the right to not participate in any and all union
activities. No union shall coerce an eligible employee into joining,
participating, assisting, supporting or in any other way contributing to the
success or operation of a union. No eligible employee shall be interfered
with, intimidated, restrained, coerced or discriminated against because of
the exercise, or refusal to exercise, any of the rights contained in this
Resolution.
- (d) This Resolution shall not prevent any employee:
 - (1) From bringing personal concerns to City officials' attention;
 - (2) From acting in his/her own behalf or choosing her/his own
representative in a grievance or judicial action; or
 - (3) From enjoying without discrimination, all employment rights and
benefits granted by the City.

4. LIST OF ELIGIBLE EMPLOYEES.

The City shall annually provide each union a list of employees eligible to be represented by that union. The City will not enter into a Memorandum of Understanding with any union which represents or bargains for an individual who is not on the list.

5. CITY BARGAINING TEAM; DISCUSSIONS THROUGH NEGOTIATIONS.

The Mayor will provide the unions the name of the City's chief negotiator at least five (5) months prior to the expiration of any agreement with the union. The chief negotiator will represent the City in all bargaining and labor negotiations pursuant to the terms of this Resolution. All proposals and negotiations with and by the unions shall be handled by the chief negotiator who shall report and be directly responsible to the Mayor.

6. GOOD FAITH NEGOTIATIONS; MEMORANDUM OF UNDERSTANDING.

The City's chief negotiator and union representatives will meet to negotiate in good faith issues related to wages, hours and other terms and conditions of employment. The City's chief negotiator and the unions will fully consider any proposals presented during negotiations. The City's chief negotiator and the unions will attempt to reach an agreement on eligible employees' wages, hours and other terms and conditions of employment prior to the submission of a budget by the Mayor to the City Council. The City and the unions will jointly discuss employees' compensation issues prior to negotiations in an effort to foster better communication concerning the City's budget process, the impact that process has on employees' compensation, and the methods of determining employees' compensation. The City's chief negotiator and the unions will not use this process to avoid their obligation to negotiate.

The scope of bargaining shall be restricted and shall not include those subjects which the City has no authority to change and shall not infringe on the City's Rights outlined in Paragraph 2 of this Resolution. Negotiations will not include any issues already provided for by Utah law, City Ordinance, or related to the Civil Service or Merit Systems.

If the City's chief negotiator and a union reach an agreement, they will jointly prepare a written Memorandum of Understanding containing the terms of their agreement. A Memorandum of Understanding is a joint recommendation which the City's chief negotiator and the union will provide to the Mayor no later than May 15, or at a later date in the event negotiations are reopened.

If the City's chief negotiator and a union are unable to reach agreement on a Memorandum of Understanding, the Mayor shall recommend the City Council

adopt a one-year compensation plan for the affected work group and/or approve a one-year extension of the existing Memorandum of Understanding.

If the City and a union are unable to agree on a wage schedule for a Fiscal Year during the term of a Memorandum of Understanding, the Mayor shall recommend the City Council implement a wage schedule for that union's eligible employees.

The Memorandum of Understanding will not be binding upon the parties, either in whole or in part, until a majority of the members of the applicable union have ratified the Memorandum of Understanding by a majority vote, and until the City Council:

- (a) Acts by majority vote to approve the Memorandum of Understanding;
- (b) Enacts ordinances or makes other changes required to implement the Memorandum of Understanding;
- (c) Appropriates the funds required to implement the Memorandum of Understanding which requires funding for each year of its existence.
- (d) If the City Council fails to appropriate the funds required to implement a proposed Memorandum of Understanding or wage schedule, the City Council shall adopt a one-year compensation plan, or wage schedule for the affected work group and/or approve a one-year extension of the existing Memorandum of Understanding.
- (e) After the execution of a Memorandum of Understanding and while the Memorandum of Understanding is pending before the City Council for action, neither the Recognized Employee Organization or their individual members, nor the Mayor shall appear before the City Council or its members, to advocate for any amendment, addition or deletion to the terms and conditions of the Memorandum of Understanding's agreed upon language.
- (f) Each Memorandum of Understanding must contain a provision prohibiting strikes or lock-outs. Each Memorandum of Understanding shall have a term of at least one year. It is expressly understood that no Memoranda of Understanding may or can bind succeeding Mayors or Councils.
- (g) A Memorandum of Understanding will be enforceable when entered into in accordance with the provisions of this Resolution. No publication of it shall be required to make it effective.
- (h) Nothing in a Memorandum of Understanding shall prevent the City and a union from identifying and discussing issues related to the terms and

conditions of employees' employment during the term of an existing Memorandum of Understanding.

7. CLOSED DOOR NEGOTIATIONS.

Collective bargaining meetings and negotiations between the City and unions and any deliberations of mediators shall be considered private and may be conducted in closed door or executive sessions, without the right of the public to be present, if the parties to the negotiations so decide.

8. RESOLUTION OF IMPASSES.

- (a) If the City's chief negotiator and a union is unable to reach an agreement by May 15, either party may declare that an impasse exists and the matter shall be submitted to the Mayor and the City Council for resolution.
- (b) The City's chief negotiator and a union may jointly request the services of an outside mediator. The costs associated with any outside mediator shall be equally borne by the City and the union making the request.
- (c) If the City's chief negotiator and a union reach impasse on any issue related to compensation, the City and/or the applicable union may discuss the issue directly with the Mayor and/or City Council.

9. PROCEDURAL RIGHTS.

The City shall have the right to promulgate rules and regulations governing union activity, including procedures for meeting with management, use of bulletin boards and other publicly owned facilities, and the solicitation of membership during business hours.

10. COURT DECLARATION.

Should any court declare any provision of this Resolution void, invalid, illegal or unconstitutional, the whole Resolution shall be deemed rescinded, repealed and of no effect.

11. UNFAIR LABOR PRACTICES.

- (a) Utah law prohibits the City, its representatives or agents from:
 - (1) Restraining or coercing or interfering with any employee in the exercise of rights guaranteed under this Resolution;
 - (2) Discriminating against one employee organization in favor of another employee organization;

 - (4) Refusing to negotiate in good faith with an Employee Organization designated as the exclusive representative of employees in an appropriate unit; or
 - (5) Locking out employees.
- (b) Utah law prohibits the unions, their agents or employees, and where appropriate, City employees from:
- (1) Restraining or coercing or interfering with employees in the exercise of the rights guaranteed under this Resolution, including but not limited to, attempting to cause the City to discriminate against an employee in violation of such employee's rights under this Resolution or other applicable law;
 - (2) Restraining or coercing the City in the selection of a representative for purposes of collective bargaining or the adjustment of grievances;
 - (3) Refusing to negotiate in good faith with the City, if the organization has been designated the exclusive representative of a group of employees; or
 - (4) Engaging in a strike, or encouraging, aiding or abetting any City employee to engage in any strike, which are in addition to being prohibited, are declared to be illegal.
- (c) Every union and its officers and agents shall have an affirmative duty to take immediate, appropriate and effective affirmative action to end an employee strike or work stoppage.

12. PETITIONS.

- (a) The City Council, the Mayor, or any employee, or group of employees, represented by AFSCME, IAFF or SLPA may file a petition alleging that the applicable union no longer represents the interests of the employees eligible for representation by the applicable union. The petition must contain: i) a statement outlining the basis for the petition; ii) a declaration

by the person signing it that its contents are true and correct; iii) the name of the group or groups of employees the petition seeks to remove from representation by a union; and, iv) the signature of the person or persons filing the petition. The original and two (2) copies of the petition shall be filed with the City Recorder.

The petition must contain: i) a statement outlining the basis for the petition; ii) a declaration by the president of the union signing it that its contents are true and correct; iii) the name of the group or groups of employees the petition seeks to include as represented by a union; and, iv) the signature of the president of the union filing the petition. The original and two (2) copies of the petition shall be filed with the City Recorder.
- (c) A petition under this section will only be considered if it is filed between September 1, 2013 and November 30, 2013.

13. NOTICE AND HEARING ON PETITIONS.

- (a) No later than ten calendar days after the City Recorder receives a petition, the City shall provide a copy to the union named in the petition.
- (b) If the City determines that the petition meets the requirements of this Resolution, it will require a public hearing be held to discuss the petition. The City will provide the petitioner and the affected union at least fourteen (14) calendar days written notice of the time and place of the hearing.
- (c) If the petition was filed by the Mayor, the City Council, or designated representative, may conduct a prehearing conference with the petitioner and the affected union prior to a hearing in order to clarify any issues to be addressed at the hearing and to set a date for the public hearing on the petition.
