BY HIS GRACE AND FOR HIS GLORY

VOL. 32, 11

A Message from Pastor Tommy

Dear Church,

I really look forward to spending time with you all this Thanksgiving! I'm so grateful to the Lord for all He has done in bringing Rebecca and I here, and I'm so grateful that we get to worship the Lord together with other local believers during our community Thanksgiving service.

I also have a confession. Memphis does not look as pretty in the fall as upstate New York did. It's just a sad reality; the fact is that during the autumn season, the northeast is stunningly beautiful. I look with great fondness on my time of living there, but I don't stay looking back. While the grass may seem greener sometimes, or the leaves more colorful, while looking at the past, I am where I am supposed to be. I must continue on in the will of the Lord and be glad in it.

In a similar way, Thanksgiving isn't about only thanking God for the good times you had in the past, it's also about thanking God for what He has planned in the future. God has great things in store for those who love Him and are called according to His purpose! No matter where our road leads us, we must be thankful for the past and all its joys, but the present is a gift that we cannot forsake! Thank you Lord for the sacrifice of your son, Jesus! Thank you Lord for the life of righteousness you have called us to!
