

Information regarding your late arrival

Dear Guest,

If you arrive outside of our opening hours, you can check in yourself at our self-service-terminal in the lobby. Please ring the bell by using "late check in" at the touchscreen next to the main entrance. Shortly before your arrival we will send you qr-code by email to enter the lobby and the parking (if booked). Alternatively you can ring the bell by choosing "late check in" at the touch screen next to the main entrance. Our security service will open the door remotely.

You can reach our security service in important emergencies at the following telephone numbers:

First Option: +49 (0) 40 – 752 440 44
Second Option: +49 (0) 0170 – 459 67 81

Please go to one of the touchscreens at the counter. Turn the language into English and select the option "check in" to start the check in process. Now follow the instruction on the screen to fulfil the check in. Afterwards you will receive the key card at the opening on your right.

We wish you a pleasant stay and will be lucky to meet you tomorrow morning. Please do not hesitate to contact us again for further questions and information.

Best regards

Your Team of the Clipper Boardinghouse Hamburg-Michel
