

**Mind Revive**  
**ONLINE PSYCHOLOGY**  
THERAPY FOR WHEREVER YOU ARE AT

## MROP School Outreach Service

Mind Revive Online Psychology is a Melbourne Based online psychology practice.

Acknowledging that schools play an important role in supporting the mental health needs of children, adolescents and their families, MROP is running an outreach psychology service to schools in the Metro Melbourne area.

The MROP School Outreach Service links a psychologist with a school to offers their students the opportunity to receive counselling at school during school hours.

Counselling is tailor made for the individual student, utilising a range of evidence based psychological interventions.

Children can be assisted who experience a range of issues including:

- |                       |                               |
|-----------------------|-------------------------------|
| Depression            | Generalised Anxiety           |
| Social Anxiety        | Posttraumatic Stress Disorder |
| Panic Disorder        | ADHD                          |
| Agoraphobia           | OCD                           |
| Eating Disorders      | Stress Management             |
| Grief and Loss        | Anger Management              |
| Sleep Problems        | Self-esteem Problems          |
| Relationship Problems | Learning Based Issues         |

Our standard fee for individual appointments is \$180. Concession rates are available for those with a valid concession card, at \$130. Medicare rebates are available for students with a Mental Health Care Plan and referral letter from their doctor.

The Medicare rebate is currently \$89.65 per individual appointment.
