LEADERSHIP DEVELOPMENT ADVISORS

ABOUT

Verena is an Executive Coach and Leadership Development Advisor to senior executives, executive leadership teams, and business owners. With high belief in the power of personal, human leadership, it is her purpose to enable leaders, teams, and organizations to thrive and grow. She helps her clients step up to develop new competencies, from focusing on their personal strengths, to uncovering blind spots and finding what it takes to unlock their potential and become the authentic, human leader they aspire to be.

She builds on almost 20 years of experience in the field of Leadership Advisory, of which she spent 15 years at Egon Zehnder and Accenture, and most recently as the Managing Director of Kienbaum's Family Business Advisory Division.

Verena holds an MSc. in International Management from the University of Maastricht in the Netherlands. She also studied at the University of Economics in Lima, and continued her education at executive education programs at the MIT Sloan School of Management in Cambridge, USA.

As a mom of three kids, she loves to spend time with her family when not working.
