

Ali Bahrampour

Web Programmer and Website Designer

DoB: 1997-11-13

Marital Status: Single

Military Service: Served

Profile Summary

I have theoretical and practical experience as a web programmer in areas such as designing WordPress websites, designing online stores, and coding HTML and CSS.

I am also proficient in graphic design using Photoshop and graphic tools to design better websites.

Currently, I would like to face new challenges with my experience and expertise.
