June 2024

Greetings,

This month starts off our summer schedules. VBS, camps, projects; there are so many different ways you can be involved at the church! Take some time and look over the events we have going on this summer and see where you can plug in! I also wanted to let you know that the Regenesiis team has been working very hard for you all. We have finished our training, and now we start the really hard stuff. Looking at a vision for the church and communicating that to our church family. Over the summer, we will be working on all of that, and it is our hope that by the end of summer, we can sit down with you all and go over it with you. We are excited to see what God has for our church and how he is going to use this information and strategy to further his kingdom throughout our community.

Church, thank you so much for all of your help over that last few weeks. We have had so many step up and help with the youth ministry and I am truly thankful. Please continue to keep the Personnel Committee in your prayers as they have been tasked with finding our next Youth Minister.

Thank you for your support and prayers for myself and my family.

Pastor Steve

MEADOWBROOK YOUTH

YOUTH MINISTRY at Meadowbrook continues on. We have been working towards camp and getting a lot of things done! We also are working on a mission project for the youth to do sometime this summer. I will have more information about that as it becomes available.

I wanted to share with you the new Youth logo. The name will not change but it is time that we updated the logo. I asked a design team to redesign it for us to make it look more modern. I am excited! It will be included in all our camp stuff this summer.

We are finishing up our study called "Don't Believe Your Eyes." It has been about not believing what others have said about you or even what you believe about yourself, and just knowing that you are loved by God. Our next study is by the same author and it is called, "Feed the Dog." This study will go through "7 spiritual disciplines to help you grow in your faith." I am looking forward to walking through this with the students.

Please keep our Personnel Team in your prayers as they are working on finding our next Youth Minister. The information about the open position can be found on our church website. www.meadowbrookrockdale.org

If you have any questions about the youth ministry, please feel free to contact me at any time.

KIDS CORNER NEWS

May was a month of preparation! June is here! Pray that God moves in huge ways this first week of June, as we have Vacation Bible School! VBS wouldn't be the amazing thing it is, without the invaluable help and endless support of Terry Dennis. I would also like to thank our main teacher volunteer group: Betsy (with Peggy), Janice (with Rachele), Abby (with Kathy K.), Hope (with Karen), and Terry (with Aaron). Additionally a huge thanks to Deanna, Erin, Pastor Steve (and everything he may or may not blow up), and Jason! Many others helped the main teachers and leaders as well, and to them we all will say a resounding THANK YOU! :)

June will be a much slower month after VBS is over, of course! We will have the monthly Children's Movie directly after VBS is complete, with *Little Mermaid* being our feature presentation on June 8 at 10am. All families with children ages 0 to grade 5 are welcome! Hope to see you there!

Dear Meadowbrook Family,

Our heartfelt thanks for your many acts of love and sympathy during the recent passing of my precious 100 year old dad, Clem Tomek. Special thanks to those who came to the visitation, Mass of Christian Burial and meal. Your loving presence meant a lot to us. We are very grateful for the donation of Gideon bibles in his name. As he was a farmer and planted seeds, may the Word of God do the same and bring a bountiful harvest.

Love in Christ,
Bea & Doug
